EOE-M-F-H-V

DEAN OF THE COLLEGE OF ENGINEERING
The University of Delaware invites nominations and applications for the position of Dean of the College of Engineering.
The Dean is the chief executive officer of the College, responsible to the University Provost. The Dean, who holds tenured rank in an appropriate academic department, administers the units of the college through the department chairs and center directors. The College of Engineering contains the following units and programs: Chemical Engineering, Civil Engineering, Electrical Engineering, Mechanical and Aerospace Engineering, Air Force ROTC, Center for Composite Materials, Center for Catalytic Science and Technology, Materials Durability Center, and an interdepartmental Metallurgy and Materials Program. There are approximately 70 faculty members in the College; graduate student population is 275 and the undergraduate student body numbers 1,225. The College has a major research effort funded at a level of about $5.6 million of research in 1983-84.
The University of Delaware is situated in the suburban community of Newark, located midway between New York City and Washington, DC, where the College has ready access to the neighboring chemical, automotive, and construction industries for interactive programs and support.
Qualifications would normally include an earned doctoral degree and a distinguished academic record in teaching and research. Administrative experience in an academic atmosphere is highly desirable. Candidates should also be prominent at the national level in engineering and scientific activities. The candidate must have the ability to lead the College in its academic responsibility as part of a nationally and internationally recognized land-grant and sea-grant university.
Salary open. Position available immediately. To receive full consideration, nominations and applications (including vita) should be postmarked by February 15, 1985 and sent to: Professor M.R. Tilbe, Chair, Search Committee, School of Life and Health Sciences, 117 Wolf Hall, UNIVERSITY OF DELAWARE, Newark, DE 19716.
The University of Delaware is an Equal Opportunity Employer which encourages applications from minority groups and women.
