NOTICE:

PUBLIC HEARINGS ON PROPOSED MEDICARE CHANGE

The Maryland Office on Aging, in conjunction with the Maryland Department of Health and Mental Hygiene and the Insurance Commissioner's Office, at the request of Governor Harry Hughes, will conduct six public hearings throughout the State to obtain public comment and reaction to the Medicare proposal submitted by Maryland Blue Cross and Blue Shield to the federal Health Care Financing Administration.

Medicare is a federal program which provides a uniform set of health insurance benefits for the nation's elderly. The proposal calls for Maryland Blue Cross and Blue Shield to underwrite and assume risk for the Medicare program in most of Maryland in return for a set payment for each beneficiary. Medicare beneficiaries would be given a choice between retaining the present Medicare plan or choosing among several alternatives. It is anticipated that the demonstration would start six months after it is approved by HFA. The proposal represents a major change in how Medicare operates and all senior citizens and others who would be affected are encouraged to attend and express their views.
