Help Wanted

ASSISTANT PROFESSOR Department of Geology

Applications are invited for a tenure - track assistant professorship to begin in September 1986. One person is to be hired for either of two possible positions: a.) Geophysicist with research interests in seismic studies, gravity, or magnetics; or b.) Hydrogeologist with research interests in groundwater geology. The candidate should have a strong geological background in addition to the ability and desire to teach undergraduate and graduate-level geology courses. A strong geological application of the research is required. The Ph.D degree is required. The University of Delaware is a medium-sized state supported institution with strong emphasis on and support of research. There are currently nine members on the Geology faculty.

Please send a resume and the names, addresses, and telephone numbers of three referees by March 31, 1986, to: Dr. Robert E. Sheridan, Chair, Search Committee, Department of Geology, University of Delaware, Newark, DE 19716.

The University of Delaware is an equal opportunity/affirmative action employer.
