PUBLIC NOTICE
BALTIMORE COUNTY DEPARTMENT OF PUBLIC WORKS BUREAU OF ENGINEERING
COMBINED LOCATION/DESIGN PUBLIC HEARING CONCERNING THE WIDENING AND EXTENSION OF BEAVER DAM ROAD FROM BEAVER COURT TO PADONIA ROAD IN COCKEYSVILLE IN BALTIMORE COUNTY

On Tuesday, April 29, 1986 at 7:30 p.m., the Baltimore County Department of Public Works will conduct a combined location/design public hearing at the Cockeysville Junior High School, located at 10641 Greenside Drive, approximately ½ mile east of this project.

The project is currently in the Project Planning Phase, which begins with agency and public involvement, incorporates engineering and environmental studies, and concludes upon receipt of location and design approval. It has involved a review of all reasonable alternates (including the No-Build), preparation of an environmental document, and a selection of the general alignment will follow this hearing.

The purpose of this hearing is to acquaint the public with the conclusions of our studies regarding the need for the proposed project and the results of the preliminary engineering and environmental consequences of the alternates. Maps depicting the project alternates will be on display beginning at 7:00 p.m., and County representative will be on hand to answer questions. A formal presentation of approximately twenty-five minutes will begin at 7:30 p.m. and will be followed by discussion and comments from the public. Representatives of the Baltimore County Department of Public Works will be available to record your comments and discuss points of interest with you.

All interested persons are invited to attend this hearing and express their views regarding the proposed alternates, including the social, economic, and environmental effects. Brochures and forms for written comments will also be available at the meeting.

Copies of the Draft Environmental Assessment will be provided for public review beginning on 28 March 1986. They are available at the Cockeysville and the Towson Branches of the Baltimore County Public Library, and at the Baltimore County Bureau of Engineering in Room 280 of the County Office Building.

Citizen involvement in the planning process is encouraged. Written comments and requests to be included on the project mailing list may be submitted to Mr. Ellsworth N. Diver, P.E. Chief, Baltimore County Bureau of Engineering, County Office Building, Towson, Maryland 21204.

Donald P. Hutchison
County Executive

NOTICE OF PUBLIC HEARING
