THOUGHT FOR TODAY

"I will instruct thee and teach thee in the way which thou shalt go; I will guide thee with mine eyes." Psalm 32:8

Bus route changes

The Mass Transit Administration held public information meetings recently to inform passengers about proposed improvements in bus routes and schedules to take effect in June. Public hearings on these changes will be held later this month.

The informal public meetings were held Tuesday, April 15, from 7 p.m. to 9 p.m. at Benjamin Franklin Junior High School; Wednesday, April 16, from 7 p.m. to 9 p.m. at the Dundalk District Court Building; and Thursday, April 17, from 7 p.m. to 9 p.m. at MTA headquarters, 300 Lexington St.

The MTA is proposing to revise all-night service on the following bus lines: Nos. 2, 5, 8, 10, 13, 15, 19, 22, 23, 27, 28, 36 and 64. Unlike existing all-night routes, the new all-night bus lines would follow the same routes as the daytime service.

The MTA also proposes eliminating the current all-night service on the Nos. 1, 3, 7, 11, 20, 21 and 62 lines due to very low ridership. Many of these routes, however, will be covered by the all-night service revisions listed above.

Also planned is more and extended service on the Nos. 8, 9, 11, 13, 19, 33, 44 and 77 lines, and the rerouting of the no. 18 line through the Timonium Park 'N' Ride Lot. Additional changes would be made on the Nos. 9, 13, 19, 20, 61 and 64 lines.

All locations are accessible to the handicapped.

For more information about these meetings or the proposed changes, call MTA information agents at 539-5000, TTY for the hearing-impaired only, 539-3497.
