Surgery stops Nehemiah

LOS ANGELES (UPI) — Renaldo Nehemiah, the world record holder in the 110-meter hurdles, underwent successful surgery Tuesday to remove a spur from his left knee. He will be sidelined until late April.

The operation was performed at Daniel Freeman Marina Hospital by Dr. Tony Daly. Nehemiah was expected to remain in the hospital overnight.

"He should be able to return to track in 2½ to three months," Daly said.

Nehemiah set his high hurdles record of 12.93 seconds before becoming a wide receiver for the San Francisco 49ers four seasons ago. Since returning to indoor track last month, he has been beaten by Greg Foster at the Sunkist Invitational in Los Angeles and at the Millrose Games in New York.

Morgan-Coppin faceoff scheduled for weekend

By Sam Lacy

What has become a winter tradition in the basketball arena occurs this weekend with cross-city rivals Morgan and Coppin State basketball teams geared for their annual showdown.

The confrontation takes the form of a natural rivalry since the two institutions stage face-to-face competitions only in basketball and track.

Morgan has no baseball team and Coppin has no football program.

Moreover, both are in the early stages of Mid-Eastern Athletic Conference (MEAC) scheduling, Coppin being a relatively new member and Morgan completing re-entry after a four-year respite as an independent.

They clash Saturday (men's and women's) teams at the Community College of Baltimore gym.

* * *

If coach Ron Mitchell figures that his Eagles have a good chance for their first sweep of the annual series between the two schools, since 1981, it probably will be because of their Dec. 31 meeting in which Coppin scored a 69-67 win on Morgan's own court.

But the Bears may well take the floor buoyed by a 10-point victory over Bethune-Cookman, and prove tough on the strength of a renewed confidence in their resiliency.

* * *

Over the years, the Eagles hold a slight advantage, although the Bears' program is much older.

Morgan won the first game in 1979, by a margin of 76-44, but Coppin evened the score later, 61-50.

The Eagles won both contests in 1981.

They then split in 1982, Coppin took two of three in 1983, divided the pair in 1984, 1985 and in 1986.

Elrod's camp at McDonogh

McDonogh School will host the Elrod Hendricks Baseball Camp. The camp will run for two three-week sessions from June 22, until July 31. It will feature major league instruction from Elrod Hendricks, guest Orioles, and visiting American League players.

Located in the beautiful setting, it has the best facilities in the area. Ages 8-16. Recreational swimming, special equipment and teaching aids, and transportation make it the most complete baseball camp available.

For information, contact Mike McMillan, director, at 363-1631.

Lori moves up in Okla. net tourney

Lori McNeil, continuing her upward trend in womens world tennis, moved into the second round of the $75,000 Virginia Slims of Oklahoma tournament on Monday.

Then on Tuesday, partnered by Kim Sands of Miami, the transplanted California 22-year-old scored a 4-6, 6-4, 6-2 doubles victory over the West German duo of Silke Meier and Claudia Porwik.

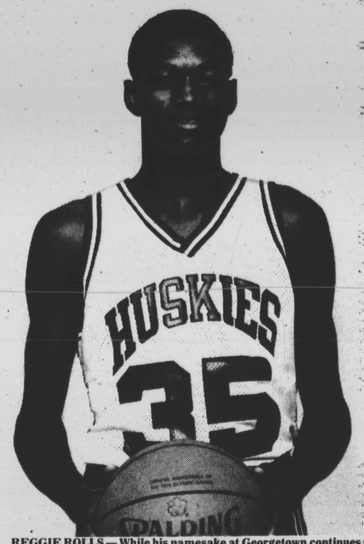
Lori is seeded No. 1 in the tourney being played before fans who followed her collegiate career as a member of the Oklahoma State tennis team.

* * *

In the meantime, Zina Garrison advanced to the second round of the Virginia Slims of California tourney at San Francisco.

Zina, also 22 and from the same Houston (Texas) camp that sponsors Lori, defeated Isabelle Demongeot of France in straight sets, 6-3, 6-3.

Both Lori and Zina finished 1986 ranked among the top ten of women players.



REGGIE ROLLS — While his namesake at Georgetown continues to rack up All-America attention, Reggie Lewis, also a former Dunbar product, continues rolling along for Northeastern (Mass) University. The two-time ECAC player of the year tallied 33 points Monday in leading the Huskies over Colgate, 96-79 at Colgate.

Loyola's Tucker sets double high marks

For basketball star Robert Tucker, athletic success does not preclude academic excellence. The 6-3, 210-pound Loyola Greyhound stalwart is also a hard working student.

Robert, a senior business major, comes from a large Richmond family. In fact, his family was one of the main reasons for Robert's decision to come to Loyola in 1984.

After playing high school ball at Rutgers Prep in New Jersey, he realized that he would be happier if he were closer to home. "I liked the environment at Loyola and the people. I also liked the fact that I was closer to home and my family.

"The rest of my family are also athletes and I enjoy having their support as well as being able to support them. We're very close."

Robert has become a major contributor to the Loyola Greyhound team, but attention to his studies has paid off as well. Robert was recently named to the Who's Who in American Colleges and Universities.

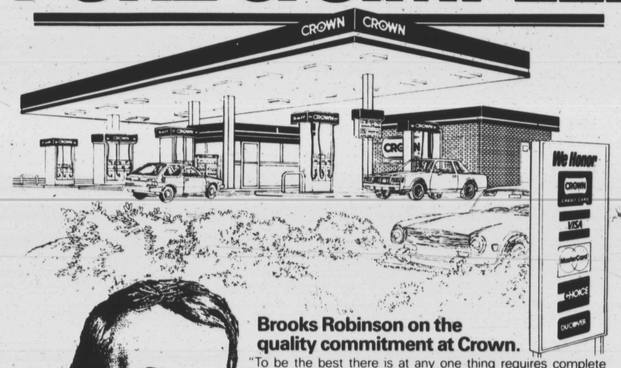
Scholastic cage tournament set

The Baltimore City Public Schools will hold their annual Baltimore City Public Schools Basketball Tournament next Friday (20th).

The preliminaries will be played at Walbrook Senior High School and Dunbar Senior High School on Wednesday, at 6 p.m. and 8 p.m.

The championships will be played at Morgan State University on Friday, at 7 and 9 p.m.

PERFORMANCE. PURE & SIMPLE!



Brooks Robinson
Major League Baseball
Hall of Famer

Brooks Robinson on the quality commitment at Crown.

"To be the best there is at any one thing requires complete devotion. The people of Crown understand this. And it shows. Quality products, competitive prices, twenty-four-hour dependability, credit cards, extra-clean stations and a company-wide commitment to personal service has always set Crown apart. And now the performance is improving even more. Crown's newly formulated LEAD-FREE XTRA "cleans up" dirty or clogged fuel injector or carburetor systems. Crown's LEAD-FREE REGULAR "keeps clean" fuel systems to help fight harmful engine deposit formation. There's a new, state-of-the-art station design. Simpler, digital-readout pumps. New-formulation car-care products in resealable, easy-to-use containers. And more. Visit a Crown station today, we're located in 7 states from Alabama to Pennsylvania. And you'll see why now, more than ever . . . Crown is performance. Pure and simple."
