**VICE PRESIDENT FOR UNIVERSITY ADVANCEMENT**
Frostburg State University is pleased to invite applications for the newly - created position of Vice President for University Advancement.

Frostburg State University is currently the fastest growing four - year institution of higher education in Maryland with an overall enrollment increase this past Fall of 12.5 perpercent. The University currently has an enrollment of approximately 4,300 students in both the Undergraduate and Master's degree levels. It is located in the beautiful and scenic area of Western Maryland and is approximately two and one-half hours driving time from Baltimore, MD, Washington, D.C., and Pittsburgh, PA. The institution was founded in 1898 and received University status on July 7, 1987.

The Vice President for University Advancement will direct the overall operation and progress of a relatively new administrative unit which includes a Director of Alumni Affairs, a Director of Media Relations and University Publications and two additional professional staff members, and a full - time contractual Director of Development. The Vice President for University Advancement will serve as one of four Vice Presidents and will report directly to the President. The Vice President for University Advancement will serve as a member of the President's Executive Committee and as a member of the President's Cabinet. The successful applicant will be expected to have a strong background and successful experience in all areas of University advancement and will be responsible for developing a vigorous and effective program of advancement for the total institution. In addition, the successful applicant will be expected to give strong leadership to the University's Foundation and will serve in all aspects as the University's principal liaison with that body of lay individuals.

Minimum qualifications include successful experience and a proven record of accomplishments in all areas of advancement work and especially in those areas involving the Foundation and Development. A Graduate degree is preferred but the applicant's experience and record may be considered in lieu of a graduate degree. A Bachelor's degree is required. The sucessful applicant must have the ability to communicate directly and effectively with all constituencies involved in a university setting and an above - average level of energy and creativity to lead all of the involved areas to serve a growing and progressive institution. The successful applicant must also be open in all situations and have the desire and willingness to accept the challenge to develop and build in concert with others an outstanding program of University Advancement for Frostburg State University, thereby assisting the University in meeting its full potential.

Applicants must submit a current resume and a letter of applicationplication, which includes his/her strengths and the reasons for wishing to accept such a challenge. In addition, each applicant must include a list of at least five professional references, their address and current telephone numbers for contact. The deadline for * receipt of this information is March 4, 1988, and must be submitted to: Mr. C. Douglas Schmidt, Director of Personnel Services, Frostburg State University, Frostburg, MD 21532.

The expected appointment date is July 1, 1988, but is negotiable. The salary is competitive.

Frostburg State University is an Affirmative Action/EQual Opportunity Employer. Minorities and women are encouraged to apply.'
