LEGAL NOTICES

Arundel County 'Selby Collection System
ANNE ARUNDEL COUNTY, MARYLAND
PROPOSAL NO. 5055-5
PROJECT NO. 5-75208
NOTICE TO CONTRACTORS

Sealed Proposals, addressed to Anne Arundel County, Proposal No. 5055-5 for construction of Mayo Water Reclamation Subdistrict facilities, Phase III Selby Wastewater Collection System for the Department of Utilities will be received until 10:00 A.M., Local Time, March 16, 1988 at the Office of the Purchasing Agent, Third Floor, Arundel Center, Northwest and Calvert Streets, Annapolis, Maryland, after which they will be publicly opened and read aloud in the County Council Chambers, First Floor, Arundel Center.

1.01 WORK TO BE DONE

Proposal 5055.5 includes, but is not necessarily limited to, the following:
Furnishing and installing approximately 464 linear feet of 6-inch gravity collection line; furnishing and installing approximately 13,550 linear feet of 4-inch gravity collection line; furnishing and installing approximately 2,265 linear feet of 3-inch and approximately 1,865 linear feet of 2½ inch pressure collection line; furnishing and installing approximately 668 linear feet of 4-inch pressure line; furnishing and installing approximately 11, 915 linear feet of 2-inch pressure collection line; furnishing and installing approximately 2,855 linear feet of 4-inch gravity collection line service connections; furnishing and installing approximately 3,000 linear feet of 1½ inch pressure collection line service connections; furnishing and installing 166 curb valves and risers and furnishing and installing three (3) duplex septic tank effluent pumping stations and one (1) area-wide pumping station together with all fittings, appurtenances, hose connectors, manholes, cleanouts, paving, restoration, and all incidental work, as specified on the Drawings on file in the Office of the Department of Utilities. Pumps and controls for area pump station S-1 shall be supplied by the Contractor. Pumps and controls for duplex pump station S-2, S-3, and S-4 shall be supplied by the Owner.
All materials, labor and equipment necessary to complete the work under this Contract, as shown on the Drawings and as specified, shall be furnished and installed by the Contractor.
The Information for Bidders, Form of Bid, Form of Proposal, plans and Specifications may be examined at the: Department of Utilities, 7409 Baltimore-Annapolis Blvd., N.W., Glen Burnie, Maryland and copies of these documents may be obtained upon payment of eighty dollars ($80.00), which will not be refunded.
This contract will be constructed under the provisions of the 1977 "Anne Arundel County Standard Specifications for Construction" and "Standard Details," and any subsequent addenda thereto.
The cost range for the project is $1,500,000 to $2,000,000.

NONDISCRIMINATION IN EMPLOYMENT

THE CONTRACTOR OR ANY SUBCONTRACTOR ON THIS WORK WILL BE REQUIRED TO COMPLY WITH EXECUTIVE ORDER NO. 11246, ENTITLED "EQUAL EMPLOYMENT OPPORTUNITY" AS AMENDED BY EXECUTIVE ORDER 11375, AND AS SUPPLEMENTED IN U.S. DEPT. OF LABOR REGULATIONS (41 CFR PART 60). THE REQUIREMENTS FOR BIDDERS AND CONTRACTORS UNDER THIS ORDER ARE EXPLAINED IN THE SPECIFICATIONS.
On February 24, 1988, at 10:00 AM Local Time, a "Pre-Bidding Conference" will be held in the Conference Room. Department of Utilities, 7409 Baltimore-Annapolis Blvd., N.W., Glen Burnie, Maryland 21061. This conference is simply to clarify any interpretation of Plans, Special Provisions, and Right-of-Way so advertised and intended for bidding purposes.
All potential bidders are requested to attend this conference; however, attendance is not a requirement of the Contract.

Anne Arundel County
James F. Ryan
Purchasing Agent

LEGAL NOTICES

BALTIMORE COUNTY, MARYLAND
NOTICE OF INTENT TO ASSIGN PROJECTS

In the near future the Professional Services Selection Committee will recommend consultant assignments for the following projects:

PROJECT 88-1 — REHABILITATION/HISTORIC PRESERVATION OF WROUGHT IRON TRUSS BRIDGES

Professional services are required for the rehabilitation design of eight (8) wrought iron truss bridges at various locations in Baltimore County. Since these structures were originally built between 1884 and 1919, their historic preservation shall be a key consideration in the rehabilitation design effort.

The eight (8) structures vary in length from a minimum of 74 feet to a maximum of 118 feet with current postings ranging from eight (8) tons through 14 tons.

The scope of the services shall provide for: (1) recommended rehabilitation design methods for upgrading the wrought iron trusses to a carrying capacity capable of supporting Maryland State Highway Administration Type 3 trucks on an operating basis; (2) preserving the historical significance of each structure scheduled for rehabilitation.

Estimated construction cost: $614,000.

This project will utilize Baltimore County funding only.

PROJECT 88-2 — WASTEWATER MONITORING FACILITY

Professional services are required for the design of a Wastewater Monitoring Facility to be located on a portion of Baltimore County owned property currently designated as the Fullerton Reservoir site. This facility will: (1) serve to manage and administer the County's Industrial Wastewater Program, including permits and compliance and, (2) provide for the sampling, and analysyes of industrial discharges.

The architectural design of the building shall provide adequate space to accommodate offices, laboratories, storage areas and restroom facilities. Design support in the form of civil/site engineering, structural engineering, and mechanical/electrical engineering shall also be required.

The scope of services shall include schematic design, design development, construction documents and construction cost estimates for the complete facility.

This project will utilize Baltimore County funding only.

PROJECT 88-3 — FULLERTON WATER TRANSMISSION MAIN

Professional services are required to provide a route study, report, plans and specifications for a 96-inch diameter water transmission main to extend from the vicinity of Golden Ring Road and Route I - 95 to the Fullerton Reservoir site located on Ridge Road.

As a continuation of the recently constructed Northeast Transmission Main project, the Fullerton Transmission Main will, upon completion, serve to supply water from the Montebello Treatment Plants to the future planned Fullerton Reservoir facility.

The initial route study shall determine the most cost - effective transmission main alignment, including the identification of rights-of-way needs. Upon completion of the route study, report and preliminary construction cost estimates, final design plans, specifications and construction cost estimates shall be provided. An analysis of the system hydraulics will not be required.

Estimated construction cost: $13,000,000.

To be considered for an award, all firms currently prequalified must submit a separate Baltimore County DPW Form 102 in response to each project of interest. Any firm not currently prequalified can do so by filing a Baltimore County DPW Form 101. DPW Form 102 submittals must be received by the Chief of the Bureau of Engineering, Room 219, County Office Building, 111 W. Chesapeake Avenue, Towson, Maryland 21204, not later than 4:00 P.M. Local Time on Monday, February 22, 1988. Late submittals will not be considered. Copies of Baltimore County's DPW Form 101 (for prequalification) and DPW Form 102 can be requested through the above address or by calling (301) 494-3793.

GENE L. NEFF, P.E.
Director of Public Works

CITY OF BALTIMORE
CONSULTANTS EVALUATION BOARD
PUBLIC NOTICE

The Baltimore City Consultants Evaluation Board has been requested by the Department of Transportation to certify the qualifications of firms to perform professional services for the following:
PROJECT #492/STORM WATER DRAINAGE DESIGNS
The Division of Utility Engineering of Traffic & Utility Engineering desires to retain the services of a civil engineering firm to provide storm water drainage designs for a number of undesignated locations on an open-ended basis. Basic service to be provided will include engineering and drafting with an approximate total upset limit in the amount of $75,000.00.
For details concerning this project, please contact Mr. Donald Kushner on 396-1236.
It is the policy of the City that maximum opportunity be extended to Minority and Women Owned Businesses to participate in the performance of Contracts under the City Procurement program. The goal is that twenty percent (20%) of the dollar amount of applicable contracts for professional services acquire by the City be awarded to Minority Business Enterprises and three percent (3%) of dollar amount of applicable contracts for professional services be awarded to Women Business Enterprise.
NOTE: THE PROPOSED MINORITY AND WOMEN BUSINESS ENTERPRISE FIRM OR FIRMS MUST BE NAMED ON THE APPLICATION.
THIS POLICY ALSO APPLIES TO PROPOSALS SUBMITTED BY MINORITY AND FEMALE CONSULTANTS.
FIRMS WILL NOT BE CONSIDERED FOR A SPECIFIC PROJECT IF THEY APPLY AS BOTH A SUB-CONSULTANT AND A PRIME CONSULTANT.
Firms desiring to be considered for such professional services should address a "letter of interest" to: EXECUTIVE SECRETARY, CONSULTANTS EVALUATION BOARD, ROOM 300 MUNICIPAL BUILDING, LEXINGTON & HOLLIDAY STREETS, BALTIMORE, MARYLAND, 21202, (301) 396-3333.
Upon receipt of "letter of interest", each respondent will be sent an application questionnaire to be completed and submitted along with SEVEN COPIES (EIGHT IN ALL) for consideration. Out of State Corporations must submit the name of your Resident Agent with the applications. Completed applications will be accepted by the Consultants Evaluatin Board until the close of business on FEBRUARY 26, 1988.

JAMES W. CAUSEY, EXECUTIVE SECRETARY

ELDERLY & HANDICAPPED TAXI VOUCHER PROGRAM
SSBTAP 89-13

Project Plans for Fiscal Year 1989:
State of Maryland Department of Transportation Mass Transit Administration/Statewide Special Transportation Assistance Program Funds (SSTAP) to be used to provide reduced price taxi service for elderly and handicapped citizens of Baltimore City for general purpose trips, including the availability of wheelchair accessible taxis.
Project Budget: $250,420.00
Project Period: July 1, 1988 - June 30, 1989
Public Meeting to start at 1:30 p.m. at the following location:

Tuesday, March 8, 1988
Waxter Center - RC1 Park Avenue
Baltimore, MD 21201

The Public meeting is held annually to receive comments on the proposed plan from any interested individual: or spokespersons of civic groups or public agencies. All comments/testimony will become part of the official hearing record.

LEGAL NOTICES

BALTIMORE COUNTY, MARYLAND
NOTICE OF INTENT TO ASSIGN PROJECTS

In the near future the Professional Services Selection Committee will recommend consultant assignments for the following projects:

PROJECT 88-4 — SEWERAGE, WATER, STORM DRAINS AND ROADS FOR THE SPARROWS POINT INDUSTRIAL PARK

Professional services are required for the design and preparation of construction documents for providing essential public services to five designated land parcels comprising the Sparrows Point Industrial Park development project.

The project design shall provide County sewerage services, potable water service, road access, storm drainage, storm water management and sediment control for the development parcels.

The scope of services shall include: (1) a review of previously prepared reports relative to the location of facilities; (2) preparation of schematic drawings depicting the proposed facilities for each development parcel; (3) construction documents and cost estimates for each development parcel.

One of the five parcels scheduled for development will utilize Economic Development Grant funding. Accordingly, MBE/WBE participation will be required in the design development of this particular parcel.

PROJECT 88-5 — BACK RIVER NECK PUMPING STATION AND FORCE MAIN

Professional engineering services are required for the design of a sanitary sewer pumping station and force main to service the Lower Back River Neck Peninsula. The project area to be addressed is bounded on the north by the Comprehensive Metropolitan Facilities Planning Area Line, on the east by Middle River, on the south by the Chesapeake Bay and on the west by Back River.

The proposed sewer system will consist of a pumping station and approximately 3500 feet of force main. A final report, including preliminary design plans, specifications and construction cost estimates shall be provided.

Estimated Construction Cost — $805,000.00

PROJECT 88-6 — CEDAR BEACH COLLECTION SYSTEM

Professional engineering services are required for the design of a pressure sewer system with grinder pumps to service the Cedar Beach Area of Back River Neck. The project area to be addressed is bounded on the north by Sue Creek, on the east by Vandermast Lane, on the south by Holly Neck Road and the west by Maple Road.

The proposed sewer system will consist of approximately 15,000 feet of pressure sewer with 185 grinder pump units. An engineering report, preliminary design plans, specifications, and construction cost estimates shall be provided.

Estimated Construction Cost — $2,670,000.00

PROJECT 88-7 — CEDAR BEACH PUMPING STATION AND FORCE MAIN

Professional engineering services are required for the design of a sanitary sewer pumping station and force main to service the Holly Neck Peninsula. The project area to be addressed is bounded on the north by Sue Creek, on the east by Middle River, on the south by Brown's Creek and on the west by Back River Neck Road.

The proposed sewer system will consist of a pumping station and approximately 5000 feet of force main. An engineering report, including preliminary design plans, specifications and construction cost estimates shall be provided.

Estimated Construction Cost — $730,000.00.

To be considered for award, all firms currently prequalified must submit a separate Baltimore County DPW Form 102 in response to each project of interest. Any firm not currently prequalified can do so by filing a Baltimore County DPW Form 101. DPW Form 102 submittals must be received by the Chief of the Bureau of Engineering, Room 219, County Office Building, 111 W. Chesapeake Avenue, Towson, Maryland 21204 not later than 4:00 P.M. Local Time on Monday, February 29, 1988. Late submittals will not be considered. Copies of Baltimore County's DPW Form 101 (for prequalification) and DPW Form 102 can be requested through the above address or by calling (301) 494-3793.

LEGAL NOTICES

BLACK AND DECKER (US) INC.
INVITED BIDS PHASE IIIA
INTERIOR FIRE PROTECTION
SYSTEM IMPROVEMENTS
HAMPSTEAD, MARYLAND

SEALED BIDS will be received at Black and Decker, 10 North Park Drive, Hunt Valley, Maryland 21030 between 1:00 p.m. and 2:00 p.m., January 22, 1988 and will be privately opened. Proposals received after that time wilal be returned unopened.
PHASE IIIA work concerns the fire protection sprinkler system. This part of the project, Phase IIIA, involves the reinforcement of existing wet type sprinkler systems covering an area of approximately 700,000 square feet. In general, the work consists of replacing all of the existing ½" sprinkler heads with large orifice heads and installing additional piping to interconnect the existing crossmains. The installation of three (3) new sprinkler systems totalling approximately 700 heads to protect designated areas, is also included. Work is estimated at $600,000.00. A Material, Labor and Performance Bond is required. A Bid Bond shall also be required.
IT IS THE GOAL of Black & Decker (U.S.) Inc. that minority business enterprises be awarded ten percent (10%) of the building construction of the project for which proposals are being sought herein, and that such participation in those contracts and/or subcontracts resulting therefrom not be subject to discrimination on the basis of race, color, sex, or national origin.
A PRE-BID WALK-THROUGH INSPECTION of contract areas will be held on January 6, 1988 at 10:30 a.m. This inspection is mandatory; any bidder not having registered at the pre-bid walk-through will not be allowed to bid.Interested parties shall meet at the lower level guard station, Black and Decker, 626 Hanover Pike, Hampstead, Maryland. Two sets of contract documents consisting of two (2) sets of drawings and specifications are available from the Architect after December 22, 1987 for a refundable plan deposit of $100.00. Checks shall be made to Intrarch Architects, 873 Evergreen Road, Severn, Maryland 21144, (301) 969-5400. Contract documents will be shipped to the purchaser. The Owner reserves the right to waive any informalities or to reject any or all bids. No bidder may withdraw his bid within sixty (60) days of bid due date.

INTERARCH, INC.

The Chief of Highway Engineering will be in his office, Room 300 Municipal Building, on Friday, February 5, 1988 from 10:00 a.m. until 12:00 Noon for the purpose of hearing and considering protests and to explain matters in connection with establishing or re-establishing the grades of the following streets in Baltimore City:

All materials, labor and equipment necessary to complete the work under this Contract, as shown on the Drawings and as specified, shall be furnished and installed by the Contractor.
The Information for Bidders, Form of Bid, Form of Proposal, Drawings and Specifications may be examined at the Department of Utilities, 7409 Baltimore-Annapolis blvd., N.W., Glen Burnie, Maryland and copies of these documents may be obtained upon payment of fifty dollars ($50.00), which will not be refunded.
This contract will be constructed under the provisions of the 1977 "Anne Arundel County Standard Specifications for Construction" and "Standard Details," and any subsequent addenda thereto.
The cost range for the project is $2,000,000 to $2,600,000.

NONDISCRIMINATION IN EMPLOYMENT

THE CONTRACTOR OR ANY SUBCONTRACTOR ON THIS WORK WILL BE REQUIRED TO COMPLY WITH WITH EXECUTIVE ORDER NO. 11246, ENTITLED "EQUAL EMPLOYMENT OPPORTUNITY" AS AMENDED BY EXECUTIVE ORDER 11375, AND AS SUPPLEMENTED IN U.S. DEPT. OF LABOR REGULATIONS (41 CFR PART 60). THE REQUIREMENTS FOR BIDDERS AND CONTRACTORS UNDER THIS ORDER ARE EXPLAINED IN THE SPECIFICATIONS.
On February 24, 1988 at 9:00 A.M. Local Time, a "Pre-Bidding Conference" will be held in the Conference Room, Department of Utilities, 7409 Baltimore-Annapolis Blvd., N.W., Glen Burnie, Maryland 21061. This conference is simply to clarify any Interpretation of Drawings, Special Provisions, and Right-of-Way so advertised and intended for bidding purposes.
All potential bidders are requested to attend this conference; however, attendance is not a requirement of the Contract.

LEGAL NOTICES

NOTICE OF FINDING OF
NO SIGNIFICANT IMPACT AND OF
INTENT TO REQUEST RELEASE OF FUNDS

Baltimore County, Maryland
400 Washington Avenue
Towson, Maryland 21204
(301) 494-3580
On or about February 21, 1988, Baltimore County, MD will request the U.S. Department of Housing & Urban Development to release Federal funds under Title I of the Housing & Community Development Act of 1974 (PL93-383) for the following project:
Penn-Mar Organization, Inc. $146,711
This project consists of the acquistion of a five acre site at the southwest corner of the intersection of Freeland & York Roads in Maryland Line, MD 21105. Additionally, monies will be used for the construction of a 5600 square foot activity centr on this site to accommodate as many as 50 retarded or developmentally disabled persons in a variety of habilitative programs. Funds will also be applied toward obtaining technical assistance on the project.
It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment, and accordingly, Baltimore County has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969 (PL91-190).
The reasons for such decision not to prepare such statement are as follows: The site is relatively flat, well-drained and had been used for agricultural purposes. The construction of this facility will be beneficial to the surrounding community by enhancing educational, social and recreational services. This facility for the developmentally disabled will address an unmet need.
An Environmental Review Record respecting the project has been made by Baltimore County which documents the environmental review of the project and more fully sets forth the reasons why such Statement is not required. This Environmental Review Record is on file at the above address and is available for public examination and copying upon request at 1 Investment Place, Suite 800, Towson, Md. between the hours of 8:30 A.M. and 4:30 P.M. No further environmental review of such project is proposed to be conducted prior to the request for release of Federal funds.
All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by Baltimore County to the Coalition for Handicapped Persons. Such written comments should be received at 1 Investment Place, Suite 800 on or before February 20, 1988. All such comments so received will be considered and Baltimore County will not request the release of Federal funds or take any administrative action on the within project prior to the date specified in the preceding sentence.
Baltimore County is certifying to HUD that Baltimore County and Dennis F. Rasmussen, in his official capacity as County Executive consent to accept the jurisdiction of the Federal courts is an action is brought to enforce responsibilities in relation to environmental reviews, decision-making, and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval Baltimore County may use the Block Grant funds and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an objection to its approval of the release of funds and acceptance of the certification for a period of fifteen days following its receipt of the request only if it is on one of the following bases: (a) that the certification was not in fact executed by the certifying officer; or (b) that recipient's environmental review record for the project indicates omission of a required decision finding or step applicable to the project in the environmental review process; or (c) another Federal agency has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality.
Objection must be prepared and submitted in accordance with the required procedure (24CFR Part 58), and may be addressed to HUD at the Baltimore Office, 10 N. Calvert Street, Baltimore, MD 21202.
Objections to the release of funds on bases other than those stated above will not be considered by HUD. No objection received after March, 1988 will be considered by HUD unless, because of unforseen delay, the request for release of funds was received after the day mentioned at the beginning of this Notice. Since this is possible and would cause a change in the objection period, objectors should contact HUD to verify the date of the last day of the objection period.
This publication meets two notice requirements (1) notification to the public of the finding'of no significant impact; and (2) notification to the public of the intent to request release of funds. Comments submitted must specify which requirements (1 or 2 above) are being addressed.
Dennis F. Rasmussen
County Executive

Anne Arundel County West Shore Collection System
ANNE ARUNDEL COUNTY, MARYLAND
PROPOSAL NO. 5056-5
