# First Baptist to hold concert

By Maxine L. Wallace
AFRO Staff Writer

The Music Department of First Baptist Church, 525 N. Caroline St. will present a musical concert on Sunday, April 24 at 4 p.m. as a fundraiser for selected youth of the church.

Featured in song will be Alice Fitts, the first lady of the church. She is also the co-advisor of the New Light Singers, one of the church's five choirs.

Monies raised will be used to assist some of the youth in the New Light Singers in going to Flint, Michigan on August 14. Taking part in the week-end's events will be the entire music department of First Baptist. They will visit sites in Michigan, Ohio and Canada.

They will attend Mt. Olive Baptist Church in Flint, Michigan on Sunday, August 14. Later that day they will be presented in concert at the church.

In addition to performing in concert, the group will visit an amusement park in Canada, as well as partake in a host of other enjoyable activities.

"We especially want those to go who have been working hard throughout the year to go," said Fitts.

Fitts said she will sing a variety of songs at the April concert - including anthems, hymns, spirituals, and gospels.

"I've always been interested in singing," she said.

Fitts said she sang her first solo at a rural church in North Carolina. She sang "Yes, Jesus Loves Me."

Fitts said as a teenager, she sang on the church choir and also sang on varied occasions.

Fitts said this will be the first time in some eight years that she has performed in concert. "This will be a new beginning," she said.

Fitts said she had in past years done concerts at First Baptist as well as other local churches.

I feel that as Christians we all have a message . . . I convey my mesage through song," said Fitts.

"My message is that I love God, and I'm dedicated to doing His work."

Alice Louise Alston Fitts was born in Warrenton, NC. and was educated in the public schools there.

She is married to Rev. Leroy Fitts, pastor of First Baptist. They will celebrate their 25th anniversary this year.

They have four children: Timothy, Dietrich, Angelique, and Leticia.

Fitts furthered her education in 1980 by enrolling in Morgan State University as a full time student. She graduated in May, 1984 with a BS Degree in teaching Home Economics. He minor was Psychology and Gerontology.

Fitts' education did not stop on an undergraduate level. She went on to Towson State University to work on her MA in Psychology.

Fitts and her son Timothy are both scheduled to graduate the same day — Fitts from Towson and Timothy from Morgan State.

Fitts is the recipient of many awards and distinctions. Among those are Who's Who Among University and College Students; National Dean's List, 1982-1983, and 1983-1984; and the House of Delegates Scholarship. She is also a member of several Honor Societies.

Fitts is a part-time volunteer counselor at Chinquapin Middle School and the Epoch Counseling Center. She is also a part-time employee for Baltimore City Public Schools.

"I feel I have really been blessed.. God has given me more than I've asked for," said Fitts.

# Local church combats AIDS/drugs

(Continued from page 15)

founded by Bishop John Hurst Adams of the Second Episcopal District. They have targeted drugs, AIDS and street violence as priorities for church attention. Bethel is a charter member of the congress.

While Bethel is out front locally, West, a former vice cop, reported that 16 percent of 65,000 black churches have drug programs. Forty-six percent have prison ministries and 10 percent have crime prevention programs. Twenty-nine percent have job development programs and provide national direction and leadership in turning back the tide.

As Bethel Health Educator Mankenkolo Mahlangu Ngcobo said, "We are claiming the promises that with God, nothing is impossible."

After a morning of defining the problem, and a delicious luncheon, an afternoon session of workshops was held addressing solutions. Topics included: Pastoral Counseling of AIDS Patients and Family; How to Start an AIDS and Drug Ministry in Your Church; Educating One Another on AIDS and Drugs in the Church; and Spiritually Based AIDS Education.

The session concluded with a summary of workshop conclusions and an extended discussion on "Where Do We Go From Here?" Among the solutions; strengthen family, church and community and increase their involvement in prevention and treatment of those affected; decrease drug traffic in our community by increased police and community vigilance; emphasize safe and responsible sexual behavior; treat victims of drug abuse with prayer and compassion, physical and spiritual nutrition and love.
