OBITUARIES

Mr. Stephen A. Lee

Funeral services for Mr. Stephen Arthur Lee were held Thursday, Jan. 11 at Sharp Street Memorial United Methodist Church. The son of the late Levin and Annie Lee, he was born in Hicksburg, MD on the Eastern Shore, May 15, 1914 and died Jan. 6.

"Lee," as he was fondly called, received his early education in the public schools of Dorchester County. Upon completion of high school education, he attended Bowie State University, which was then called Maryland State Normal School. There he received his Elementary Teaching Certificate which certified him to teach in Maryland public schools.

Instead of accepting a teaching position, Mr. Lee decided to remain at Bowie and work in the maintenance department until he was inducted in the Armed Services in 1942.

After serving his country, he became employed by the U.S. Postal Service in Washington, DC until his retirement in 1982.

Mr. Lee was a charter member of the American Postal Worker Union, life time member in National Association of Postal Supervisors and also member of Baltimore City Chapter of Bowie State University Alumni Association.

A man of simple, but solid faith, he was a staunch and faithful supporter of his church.

Former member of St. James United Methodist Church, East New Market, MD and a current member of Sharp Street Memorial United Methodist Church where he held membership in the United Methodist Men, he was also a member of Prince Hall Masons and the Ashburton Neighborhood Patrol.

Survivors include his wife, Mrs. Ometa Fitchett Lee; four children, Alvester, Stephanie, Reginald and Jeffrey; five brothers, Messrs. Henry, James, Ernest, Williams and John Lee and two sisters, Ms. Mary Lee and Mrs. Phyllis Walley.

Interment in Maryland National Park, Laurel.

—A Word

(Continued from Page D1)

night, but joy cometh in the morning. My friend, you've got to hold on and hold out! Don't give up . . . look up! God has not brought you this far to leave you. He's invested too much in you to give up on you now.

You've been paid for and bought by the precious blood of Jesus. Oh, how God loves you.

My sisters and brothers, God began a good work on you the day He saved your soul . . . on that glorious day when you surrendered your life to the Lord, and you said Jesus, I want you to come in to my heart and save me. Yes, God began a good work on you at the point of your salvation. And even though you've had some trials and tribulations since that day . . . even though you have not prayed as often as you should have . . . even though you have failed to read your Bible every day . . . even though we've neglected mercy and have not always dealt with our family members in love . . . even though we've blown numerous opportunities to be a witness for the God we say we know and love . . . God wants us to know that He's not going to give up on us.

You see when you love somebody, you can't give up on them just like that . . . when you really love that son or daughter . . . no matter how many tears you have to shed . . . no matter how many heartaches he or she gives you . . . you won't let them go . . . you can't let them go . . . He who has begun a good work on us is going to perform it until the day of Jesus Christ.

In and of ourselves, we don't have the power to overcome bad habits . . . we don't have the intelligence to understand things of the Spirit . . . In and of ourselves, we don't have the strength to make it from one day to the next.

But because Jesus lives on the inside . . . He's the one that gives us that peace that passeth all understanding. Because the Holy Ghost lives on the inside, we have the power to endure in hard times and afflictions.

My friend, God is going to give you that Holy Ghost boldness . . . God is going to give you that patience to wait on Him . . . He's a mind fixer . . . He's a heart regulation. Put your confidence in Him. Let the Word of God grow big in you . . . let God fill you with His peace and power . . . Let your will be one will with God the Father . . . Let God work a perfect work in your life. Let the Lord have His way. Oh, how He loves you.
