BALTIMORE COUNTY NOTICE OF A PROPOSED PROPERTY TAX INCREASED
The County Council of Baltimore County proposed to increase property taxes.
For the tax year beginning July 1, 1990, the estimated assessable base will increase by 3.6 percent.
If Baltimore County maintains the current tax rate of $2.985 per $100, property tax revenues will increase by 3.6 percent, resulting in $12,798,942 of new property tax revenues.
In order to offset the effect of the increasing assessments, the property tax rate should be reduced to $2.794, the constant yield tax rate.
The County is considering not reducing its property tax rate enough to offset increasing assessment. The proposed property tax rate is $2.895 per $100.
A Public Hearing on the proposed property tax increase will be held at:
DATE: MAY 8, 1990
TIME: 7:30 P.M.
LOCATION: COUNTY COUNCIL CHAMBERS
SECOND FLOOR — COURT HOUSE
TOWSON, MARYLAND 21204
The hearing is open to the public, and public testimony is encouraged. Persons with questions regarding this hearing may call 887-3196 for more information.
