INTRODUCING BALTIMORE'S CAR OF THE YEAR.

Electronic route number signs front and back.

Plenty of windows for outstanding visibility.

More headroom than a Ferrari Testarossa.

Destination signs are bigger and easier to read.

Big enough for a family of 48.

Take a good look at the new 1989 MTA bus. With all its improvements, it's better than ever.

We've just put 80 of these beauties on the streets of Baltimore. And 40 of them are equipped with lifts for wheelchair passengers.

We invite you to test-ride one of our new MTA buses. After one trip, you may never want to drive your old car again. For more information on MTA buses, call 539-5000.
