To the third Interrogatory I know the lands of which Peter Green died seized & possessed the lands lie in Eglen Valley Frederick County I look at the paper now shown me marked Exhibit A it does embrace the land of which Peter Green died seized.
To the fourth Interrogatory I think it would be for the interest of all parties infants as well as adults that said land should be sold my reason for this opinion is that the land is going down and will not yield as much as the money from the sale would if properly invested The land cannot be divided to advantage as it would vary to be divided into too small parcels To the fifth Interrogatory Peter Green died intestate. To the sixth Interrogatory I know nothing further. There being no further testimony and no further time being desired I close the said Commission & herewith return the same closed under my hand & seal this 18th day of December 1858
