To the 4th Interrogatory Christian Bolinger left real estate situate in Middletown Frederick County and I look at the paper now shown me marked as Exhibit No 1 in this cause and so filed and the property of which said Christian Bolinger died seized is fully described in said Exhibit, To the 5th Interrogatory I know the Contract between Christian Bolinger and Rachel Crawford the Complainant and wife of said Christian Bolinger and am one of the subscribing witnesses to said paper and have the original Contract I look at the paper now shown me marked Exhibit No 2 filed in this cause and compare it with the original in my own handwriting said paper is an exact Copy of said original Contract To the 6th The personal property left by said Christian Bolinger if converted into money would amount to in and about to $1400 and the amount of his debts due and owing by him at the time of his death is in and about $400 and such personal property after payment of said debts is not sufficient for the Comfortable support and maintainance of the Complainant, It will take a portion of said property to settle up said estate and the residue put out to the best advantage would not in my opinion Comfortably support any one. To the 7th Interrogatory, As far as my knowledge of the real estate described in Exhibit No 1 goes I think it would be to the best advantage and interest of the infant defendant as far as he has any right and title to the same to have it sold because said property is yearly depreciating in value and repairs and taxes would consume a greater portion of the rents & profits accruing from said property The Real Estate would not bring more than $1000 and is in bad repair at the present time. To the last general interrogatory I answer and say that I know nothing further.
