I do not know whether Henry Schildknecht left any other Children other than those mentioned in the Bill in this Case. To the 2. Interrogatory I do not know. To the 3d Interrogatory Henry Schildknecht died last fall one year but I do not know whether he left a will to the remaining Interrogatories I do not know. Also at the same time and place George L. Rentzahn a witness of lawful age produced on the part of the Complainants being duly sworn and examined as aforesaid deposes and says To the 1st Interrogatory I know all the parties to this suit they are all over age except the Schildknecht who are minors. They all reside in this County and are the only heirs and legal representatives of Henry Schildknecht dec'd. To the 2nd Interrogatory I know the real property described in the Exhibits filed in this Cause and it is all the property of which the said Henry Schildknecht died seized and possessed I have seen the property described in Exhibit Marked No 4 but have heard Mr. Schildknecht say it was a mountain lot and know that it is the same property as that described in the Exhibit. To the 3d Interrogatory Henry Schildknecht died last fall one year ago without issue. To the 4th Interrogatory I do not think the property of which I have spoken susceptible of an advantageous division among the heirs. To the 5th Interrogatory I think it would be for the advantage of all parties concerned to have said real property sold and the proceeds distributed for the reason that it is too small to admit of an advantageous division. And at the same time and place George Shank a witness of lawful age being duly sworn and examined as aforesaid deposes and says To the 1st Interrogatory I know all the parties to this suit they are all over age except the Schildknechts they all reside in Frederick County and are the only legal heirs of Henry Schildknecht dec'd. To the 2nd Interrogatory I know the property of which Henry Schildknecht died seized and possessed it is the same as that mentioned and described Exhibits No 1. 2. 3 & 4 filed in this Cause. To the 3d Interrogatory Henry Schildknecht died last fall one year ago and left no will. To the 4th Interrogatory I do not think the property of which the said Schildknecht died seized is susceptible of an advantageous division. To the 5th Interrogatory I think it would be to the advantage of all parties interested to have said property sold and the money arising from said sale distributed among the heirs entitled to receive the same because the land is not large enough to admit of an advantageous division. There being no further testimony and no further time being desired I have closed this Commission and herewith return the same under my hand seal this 18th day of Sept. 1861.
