To the 3d. Int. ~ I know the real Estate mentioned in the Bill of Complaint. It is worth about Twelve hundred Dollars. It Contains about thirty three and a half Acres, situated in Frederick County State of Maryland. ~

To the 3d. Int. ~ I know the real estate mentioned in the Bill of Complaint. It is worth about 12 hundred dollars. It contains about thirty three and a half acres, situated in Frederick County, State of Maryland. ~
To the 4th Int. I consider it best that the property should be sold, and proceeds divided among parties entitled thereto. The parts are so small into which the land would be necessarily divided, that they would amount to nothing to each individual holder. The parties were always quarreling about the land, and every year it was going down in value. ~
To the 5th Int. ~ This land cannot be made susceptible of division. Its division into the very small parts into which it would have to be divided, would be attended with great loss and injury. ~
And there being no other witnesses to be examined, and neither party desiring further time for the production of his evidences, the Commissioners closed the said commissions, and herewith return the same under their hand and seal this 8th day of October in the year 1870. ~
