33d C. Int: When you gave Isaiah the 165 $ Check, to whom did you tell him to give it to & what instructions did you give him?
Ans To Laura C. Main. To tell Laura to draw the money out of the First National Bank, of Frederick, & then she should give Charlotte the balance of her interest, & the balance she should keep as interest on her Mortgage note

34th C Int; Were you, at that time, owing Laura the 643 $ note, and was any interest due on it?
Ans: Yes Sir. Well, I guess there were

35th C. Int, Why then did you order this payment to be credited on the Mortgage note?
Ans. Because the intention was to try & pay the 643 $ note off as soon as possible - I wanted to keep the interest paid up on the mortgage note

36th. C. Int: Did you ever have any conversation with Laura after this payment in reference to which note it should be credited on?
Ans. No Sir

37th C Int. For what was the 643 $ note given - explain fully?
Ans: It was given for money that I borrowed of her, and part of it was for interest that I owed her

38th. C. Int Prior to the Mortgage how much money had you borrowed of Laura, or her Guardian, and, at the time the Mortgage was given, what interest had accrued?
Ans. Well, I had borrowed 3400 $ - I can't tell you that - I had the money for three, or four years, and paid a part of the interest up.

39th. C. Int: After the Mortgage note, & the 643 $ note was given, was there any interest remaining due on your prior indebtedness, not included in those notes?
Ans. No Sir, there was not any other interest due - The whole thing was included in those two Notes
