No. 1668 Equity

of Baltimore County, all in the State of Maryland, praying amongst other things for the partition of certain premises, as in said Bill, and the Exhibits therein particularly set forth, to which Bill of Complaint some of said defendants answered; and other proceedings were had: as by the same proceedings now in this Court, will appear, and which it is prayed may be considered as a part hereof.

This Complainant further represents that the object for which said Bill of Complaint was originally filed was to obtain a partition of the real estate therein mentioned so that as appears from said Bill of Complaint she could have set apart that portion which should be hers in fee and that portion which could be hers for life, and that she desired to have as her portion include the tract below described in Exhibit X, which she had contracted to sell to Isaac M. Fisher and that by so having it divided she could execute a good, and valid Deed for the same to the said Fisher, but this Complainant represents that since the filing of said Bill of Complaint she has discovered that it will be impossible to consummate a partition of said real Estate and that it can not in any manner be divided up with Justice to those who are interested

Supplemental Bill

This Complainant further represents, and charges that Isaac M. Fisher of said County desires to purchase 11 Acres, 2 Roods & 26 perches of the land mentioned, and described in said Bill of Complaint, it being a portion of that described in Exhibit No. 1, to said Bill of Complaint, which has been surveyed, and which surveys herewith filed as Exhibit X to this Supplemental Bill of Complaint – that he has offered the sum of Fifty dollars per Acre therefor and that it is a most excellent price therefor.

This Complainant further represents, and charges that it will be to the interest of all the said parties to have said real estate described in Exhibit X sold to the said Isaac M. Fisher at and for the price above mentioned, and especially the lunatics Lydia Riddlemoser, Lewis A. Hobbs and Charles Hobbs.

This Complainant further represents, and charges that she has an undivided absolute half interest in said Real Estate described in Exhibit X, and an undivided half interest therein for and during her natural life only, and that, after her death the portion in which she had her life interest vest in the parties as alleged in the said Bill of Complaint and among the defendants thereto, and that she desires to sell said real estate described in Exhibit X and give a fee simple title thereto, and that it will be to the great interest of all the parties interested therein and especially the above named lunatics to have the same sold, and the proceeds divided among those entitled thereto, and this Complainant is advised that she cannot have said property sold without the intervention of this Honorable Court.

To the end therefore that the defendants hereinafter named may answer the matters and things hereinbefore stated, and that the real estate mentioned in these proceedings, to wit: that described in Exhibit X may be sold under a decree of your Honorable Court and the proceeds divided to those entitled thereto, and that your Complainant may have such further and other relief as the nature and Equity of her Cause may require

May it please your Honors to grant unto your Complainant, the writ of Subpoena against the said Lewis A. Hobbs, Joshua Hobbs, and Catharine Hobbs, his wife, the College of St. Joseph, Joseph A. Hobbs, and Mary Hobbs his wife, Benjamin Hobbs and Betty Hobbs, his wife, Rebecca A. Hobbs, Elizabeth C. Hobbs, James Welty, and Ella Welty his wife and Lydia Riddlemoser of Frederick County, Mary Walter of Prince George's County, and Charles Hobbs of Baltimore County, all in the State of Maryland, commanding them to be and appear in this Court on some certain day to be therein named to answer the premises and abide by and perform such decree as may be passed in the same.

And as in duty bound will ever pray &c
