No. 4797 Equity

to build, extends from New Windsor, in Carroll County, to the X roads of the road leading from Uniontown to Union Bridge, and the "Old Liberty Road," in Frederick County, a distance of something more than seven miles. About

20,000 Perches of Good Stone

(much of it limestone) have been put upon the road, and it is now in fair Condition. The tolls have averaged about $900 Annually, with a surplus over cost of necessary repair of some $250. With the present condition of the road bed, the future surplus, over expense, ought to be more.

The Franchises of the Company not only include the right to operate the road already built, but also, to further construct the road from its present Western terminus to Liberty-Town.

The Liberty and New Windsor Turnpike Company was organized under the provisions of an Act of the General Assembly of Maryland, of 1864, chapter 96, and its Supplements of 1868, chapter 97; 1872, chapter 197; 1876, chapter 94; and 1882 chapter 100.

An Act of the Legislature, just passed, provides, that the purchaser or purchasers, of said road, &c. and those who may become associated with him or them, shall be a body politic, and corporate, with power to reorganize said Company and operate the road.

☞ A certified copy of this Act will be accessible to bidders at the Sale.
