5th Int. Are you or not acquainted with the land whereof said Sarah Fulmer died, seized and possessed? if yea, can or cannot said lands be divided without loss or injury to all parties interested, and would it or would it not be to the interest and advantage of all the parties interested to have the said lands sold and the proceeds divided among those interested? State fully all your knowledge herein.

5th Ans. I am acquainted with the lands of which Sarah Fulmer died seized and possed — It is not susceptible of division among the parties interested, without loss and injury, because the property is too small — and the heirs too many — the lands ought to be sold, and the proceeds of sale divided among the parties interested
