No. 4411 Equity.

interest, as advanced to her, in the same manner as I charged myself with several sums and interest, which my father advanced to me: when a distribution took place between my sister and brother and myself, they being the only heirs, including the advancements to my sister and myself, the sum of five thousand and thirty-one dollars, and fifty-three and two thirds cents ($5,031.53⅔) was distributed to each of us; I then took my sister's and her husband's receipt for that sum; in reference to the two notes they gave my father one for one thousand dollars, ($1,000) and one for three thousand dollars, we took them as memoranda of the amount of money he had advanced my sister.

Whenever my father advanced me money, he took my note for the same purpose; my sister's full name is Mary Magdalen Elizabeth Orndorff.

(Defendants here filed with the Commissioner, as evidence "Exhibits F. A. O.", and M. M. E. O.", which are herewith returned by the said Commissioner.)

Cross examination of F. A. Orndorff.

2d Q. Int. What was the whole sum with which you charged yourself, in your Administration account, as received from your sister, or from her husband?

Ans. The whole sum with which I charged myself, was five thousand three hundred and seventy-two dollars and sixty-six cents, ($5,372.66) and eighteen hundred and sixty-two dollars and ninety-eight cents, ($1,862.98) interest, as will appear by "Exhibit F. A. O."

3d Q. Int. Was the difference between the sum of $5,031.53⅔, distributed to her, and the sum of $7,235.64, charged as received from her, made up by her to your brother and yourself, if yea, explain how it was done?

Ans. It was; the difference between those sums paid me for my brother and myself, from the proceeds of my father's real estate sold after his death.

4th Q. Int. Have you any personal knowledge in regard to the 1,000$, spoken of in your answer to the 4th interrogatory-in-chief; if yea state the same?

Ans. I have; I knew my sister, applied to my father to buy her a piece of land, containing some fifty acres, more or less, adjoining theirs, known as the "Walter and Wife and Mother Land;" after a consultation with my sister, and her husband, my father concluded to buy the land for my sister; not having the money at the time, he borrowed one thousand dollars from John J. Baumgardner, and gave that sum to my sister to pay for it; this is the same sum that James A. Orndorff and father gave their note John J. Baumgardner for; it was understood at the time, that father was to pay the money; my father did pay the money to John J. Baumgardner; this is the same transaction that I have spoken of, as the one thousand (1,000$) dollar note that my sister was charged with in the settlement of my father's estate, and is the same note to which I referred in my examination-in-chief.

5th Q. Int. Have you any personal knowledge in regard to the three thousand dollars (3,000$) spoken of in your answer to the 4th interrogatory-in-chief, if yea state the same?
