To the 6th Int.

6th Ans: George Layman died seized and possessed of real estate situated in Frederick County Maryland. I look at "Exhibit No 1" now shown me. It correctly describes the said real estate

To the 7th Int.

7th Ans: It is not susceptible of division among the parties interested. It would be to the interest and advantage of all the parties, infants as well as adults to have the same sold and the proceeds divided as the land is mountain land and lying unproductive
