No 5260 Equity.

7 Ans. The said Real Estate is not susceptible of a division among the parties to this suit without great loss and injury, because it is a House and lot located in a town and is therefore incapable of being divided among the parties.

To the General Interrogatory propounded by the Examiner — Nothing further, except at the death of father I was left alone in possession of the said property and I thereupon on the first day of April leased this property to Midland F. Cook for one year at $45 per Year, which property being in need of certain necessary repairs such as a roof on the back building of the House &c, which he agreed to do, and has done some of them, the costs of such repairs to be of part of the rent. I was living there alone until the 1st day of April last, and finding I could not live there alone as I wanted go elsewhere, I rented the above property as stated in order that there might be some one in possession to take care of the property until it was sold. I have a judgment of Condemnation in the Circuit Court for Frederick County, Md against my brother John's interest in said property.

Testimony
