PLACE OF SEAL

Exhibit No 20.

I, David J. Markey, of Frederick County and State of Maryland, do make, ordain, and publish this my last Will and Testament, as follows, — I give, devise and bequeath to my beloved Wife Susan Markey, all my Estate, Real, personal and mixed of every kind, that I now have or may have at my death, to dispose of, as she may think best for herself and the children. I have confidence in her that she will do Justice to all the children in dividing the property among them at her death, or whenever she may think proper to do so — My object in giving all that I possess to my Wife is that she may have all the comforts and necessaries of this life, when I am laid in my grave, that we had together during my lifetime and which she so richly deserves —

I am truly thankfull to Our Heavenly Father that through his blessing, I am able to leave her in a comfortable condition.

My debts can be paid without the sale of any of my Real Estate or Household furniture, — I therefore wish her to retain it as a home for herself and children during her life if practicable

And lastly I do hereby constitute and appoint my wife Susan Markey Executrix of this my last Will and Testament.

In Witness whereof I, D. J. Markey have hereunto set my hand and seal on this third day of July in the year Eighteen hundred and Seventy-one —

D. J. Markey (Seal)

Signed, Sealed, published and declared by D. J. Markey the above named Testator in our presence as his last Will and Testament, who, at his request, in his presence and in the presence of each other have signed our names as witnesses hereunto, —

A. Henderson

A. Robertson

Note, It was the wish of Aunt Schell that Harry should have the block she gave me, carry out her Wishes. —

It is my request that my Wife should give to one or both of our sons, or either or any of them if they desire it, the privilege of purchasing the Factory Buildings & Lumber Yard Lot at a fair Valuation to be made by two or three disinterested persons selected for purpose, and not sell at Public Sale, I wish it retained in the family as long as it can be kept or made productive. —
