

6. State whether or not it would be for the <sup>interest</sup> ~~interest~~ and advantage of the infant children of Eva Lynn, to confirm a sale of the property at the price of \$250.00.

A. Yes sir. The property belonging to all the heirs, none of them take care of it, that is the reason it is not in good repair now and will naturally get worse unless it is sold to some one who will be interested in it. The infant children need a home and with some repairs it will be a home for them, and it will be <sup>to the</sup> ~~of~~ advantage of every one to sell it at that price.

7. <sup>Did</sup> ~~Did~~ your grandmother Rosa M. Cooper, leave a will when she died.

A. No sir I never heard of any will.

B. To the general interrogatory?

A. No I think that is all.
