Ans. He did. it is a home on a lot in Liberty – described in Exhibit No. 1 less that described in Exhibit No 2. It is worth $700 or $800.

6 Int. Is said real Estate susceptible of division among said heirs at law and would it be to the advantage of all especially the infants to have it sold? Give your reason for your answer?

Ans. It is not susceptable of division among them without loss and injury because it would have to be divided into to many parcels. I think it would be to the advantage of all to have it sold. because the property would depreciate.
