5 Int. State whether or not said real Estate is susceptible of division among said parties without loss and injury thereto and whether or not it would be to the benefit and advantage of all of said parties, infants as well as adults, to have the same sold and the proceeds divided among them and give your reasons for your opinion?

Ans. I do not think it susceptable of division among the heirs for the reason that there are too many of them. I think that it would be to the benefit of all to have it sold and the proceeds divided because the property would depreciate by the time minors would become of age.

To the Gen - Int. by the Examiner.

Ans. No. I don't know of any thing more except that the place is now under lease which is not yet expired.
