The said Martin Arnold died seized and possessed of Certain real estate in Frederick County, with which I am acquainted, It Consists of two Houses and lots in Burkittsville, worth about $1500.00 and two mountain lots, worth about $300.00
I look at Exhibits Nos. 5. 6 and 7 and I find that they Correctly describe one of the two Houses and Lots in Burkittsville, Called the Home Place,
I look at Exhibits Nos 1. 2, and 4 and find that they Correctly describe the other House and lot in Burkittsville No. 4 describing a part sold off,
I look at Exhibit No 3 and it Correctly describes the two Mountain lots above mentioned, except what was conveyed away, as shown in Exhibit No 8.
The real Estate above mentioned Cannot be divided among the parties interested without loss and injury to them, because the most valuable properties are town properties and Cannot be divided at all, And the Mountain lots are of small Value Comparatively - In my Judgment the properties Cannot be divided at all without loss and injury.
To the General Interrogatory
I do not know anything further
Daniel Arnold
