No. 6601. Equity.

Ans. for a long time in connection with about 75 acres which adjoined & which belonged to her husband, & the two parts together making one farm -

4th Int. Do you know any thing of the sale of said farm including both Mrs Molenworth and her husbands parts, and if yea, state whether or not in your opinion it was judicious and advantageous to sell both of said parts together as one farm, and if yea, give your reasons for your opinion.

Ans. I know the farm was sold by the Executors of Thomas Molenworth and the sale reported to and ratified by the Orphans Court so far as Thomas Molenworth's part was concerned - I know this as one of the Judges of the Orphans Court, I think it was judicious to sell both together for the reason that Thomas Molenworth's land cut the other off from the public road, and the Thomas Molenworth lay in such a strip that it would not be worth much by itself.

5th Int. would it or not in your opinion be to the interest and advantage of all the parties in interest infants as well as adults for the said sale of Mary A. D. Molenworth's part of said farm to be ratified and confirmed by the Circuit Court in Equity, and the same conveyed to the purchaser upon his paying the purchase money.

Ans. I think it would. The way land is selling I think the price was reasonable.

To the general Interrogatory,

well I know all the heirs, I have known them every since they were children and they are correctly named in the bill.
