6 The said Susan S. Crum was named as Executrix in
the said will but she declined to act, her declination being
filed herein marked Exhibit S.S.C.
The said Geo W. Crum died seized and possessed of the following
real Estate situate in Frederick County Maryland worth altogether
about $7,500, to wit.
A house and lot in the town of Jefferson.
A farm in Jefferson District containing about 276 acres, and
about you 8 acres of wood land,
The deeds for which now shown me were filed as Exhibits 2. 3. 4
5-6-7- 8. 9. 10. and 11 with bill, after deducting the parts
described in Exhibits 12. 13. 14 and 15 which convey parts of
the wood lot or mountain land to different parties.
There is one other deed from Jacob Rouzerling to said Geo W Crum

Said real estate is not susceptible of partition and division
among the parties interested according to the provisions of the
said will without great loss and injury to them, and it
will be to the interest and advantage of all the parties that the
property be sold and the proceeds divided among the several
parties in interest according to their respective rights therein.
Especially will this be true as to the infant whose father
being dead it would be better that this property be otherwise
invested.
