Adjourned until November 1st 1899.

In pursuance to the above adjournment the session was resumed Charles E. Saylor a witness of lawful age produced on the part of the plaintiffs having first been duly sworn and examined deposes and says:-

1st State your name age and residence.

Ans. Charles E. Saylor, age 50 years and I reside in Frederick City, Maryland. I have no interest the result of this suit and I know all the parties thereto. the defendant Clara May Smith is an Infant and her Mother Ella V. Smith is her mother and Guardian.

The said infant is possessed and seized of a house and lot No. 49 N. 4th Street in said Frederick City, Maryland, said property being designated parts of lots Nos. 214 and 215 on the original plat of Frederick City; subject to a mortgage held by Emory L. Coblentz for $150.00, I look at Exhibit B and it properly describes said house and lot. The interest of said infant in said property is worth about $738.00 being the consideration stated in Exhibit "B" the deed to said infant for her interest in said property.

I believe it would be to the interest and advantage of said infant that her interest in the aforesaid property be sold and so much of the proceeds thereof as may be necessary be applied to the maintenance and support of said infant and the remainder invested in some productive fund for her benefit.

In answer to the general interrogatory propounded by the Examiner.

Ans. I do not know of anything else.

Chas. E. Saylor.

Whereupon there being no other witnesses to be examined and no further time being required for the production of evidence. the said Examiner hereby certifies that the foregoing are the original depositions in this cause as the same were read over to the witnesses and signed by them respectively and he herewith returns the same enclosed to the Court.

Witness my hand this 1st day of November in the year 1899.
