Testimony

building runs back from Patrick Street 100 feet or more the rear portion of the lot is not improved and there is no revenue therefrom that I am aware of and if the rear 60 ft were sold off it wouldn't be any disadvantage to the front of the lott to keep that portion intact.

I look at Exhibit C. now shown me and I consider that Mrs. Eisenhauers offer as set forth in that exhibit is a very liberal offer.

I think it would be to the advantage of the infant defendants of Mrs. Legg to sell that rear portion to Mrs. Eisenhauer at that price.
