NO. 8075 Equity

what I hear, I have heard she lives in Washington D. C. These were all the children John W. and Sarah T. Tingling had. This land has on it dwelling house and stable and outbuildings and has been unoccupied since Mrs. Tingling died It is worth in my opinion about $800= It lays in an out-of-the-way place and it would hardly be possible to divide the same without loss and injury and it would be to the interest and advantage of all the parties having any interest in the land that the same be sold and the proceeds of sale divided amongst those entitled to it. It is deteriorating in value all the time & it would not rent for enough to pay the taxes and keep the property in repair - It is rocky. Sparsely land. Grown up in large part in trees & only patches of it are tenantable so you could raise anything on it.

Edgar L. Loy, a witness of lawful age produced on the part of the Plaintiff being first duly sworn deposes and says as follows.

My name is Edgar L. Loy. I am 34 years of age. I reside near Lucketts, Loudon County, Virginia I know all the parties to this cause. I am the husband of Della T. Loy one of the Plaintiffs. I know the land mentioned in these proceedings. I look at Exhibit "J. W. T." now handed me it is a deed for that property and correctly describes it. It is a track of about 26 acres of land, improved by a dwelling house stable & outbuildings & is worth probably $800= It is not capable of being divided amongst the parties in interest without loss & injury and is deteriorating in value, has been unoccupied since the death of Mrs Sarah T. Tingling, in May 1906. It would be to the best interest and advantage of all the parties concerned that this land be sold and the proceeds of such sale divided as their interests may appear John W. Tingling and Sarah Tingling had no children except my wife Della T. and Nettie M. who is the wife of William Gorum, the lives in Washington D.C. My wife and Mrs Gorum are both more than 21 years of age.
