No. 8073. Equity.

William E. Little, a witness of lawful age produced on the part of the Plaintiff, being first duly sworn and examined Viva Voce, deposes and says as follows:—

My name is William E. Little; I am 38 years of age and reside near Harmony in Frederick County, Maryland. I have heard the Testimony of my Father, William M. Little, and I know the land mentioned in these proceedings. I am the owner of an undivided one-half interest in the piece or parcel of land described in Exhibit "B," and I also own the farm adjoining this land. I am well acquainted with the location and condition of the 20-1/2 Acres and 20 Sq. pcs. of land mentioned and described in Exhibit "A" This field has not been cultivated for a long time. I can remember when I was a boy when it was plowed up once, and that is the only time it was ever plowed, within my recollection. It is grown up in briars, bushes, trees and filth. I do not consider it worth a cent over $30.00 per acre. It adjoins my farm, and I presume it is worth more to me than any one else. I have made an offer at private sale, for all the Land mentioned in Exhibit "A" and "B" at $40= per acre which I consider a good offer for it in its present condition, and which I would not under any circumstances give for it, except because of its location adjoining my farm.

I know the parties to this Cause, and the parties having an interest in this land, and their names and residences are as testified to in this Cause by my father William M. Little. The land is not susceptible of division among the parties thereunto entitled without loss and injury and it would be to the interest and advantage of of all the parties to have the same sold and the proceeds divided among the parties thereunto entitled. I consider the land described in Exhibit "B", worth about $35.00 per acre.
