No. 8493. Equity.

proceed to take the following testimony to-wit:-

The Plaintiff filed with the Examiner as evidence Exhibit A. B. C. which is herewith returned by the said Examiner:-

Andrew J. Brown, a witness of lawful age produced on the part of the Plaintiff being duly sworn and examined viva voce deposes and says as follows

My name is Andrew J. Brown, my age 40 years, I reside near Thurston in Frederick County. I know all the parties to this suit.

I knew Sallie F. Peters, the wife of C. Otis Peters, late of Frederick County. She is dead. She died in December 1908. and left no will.

She left a husband C. Otis Peters, who is about 47 years of age and resides in Frederick County, Md and an adult son Howard Peters, who is unmarried, and lives in Washington, D. C. and she also left two infant children, Harry O. Peters and M. Blanche Peters who live with their father, in Frederick County

I know the real estate of which Sallie F. Peters died seized and possessed and which was conveyed to her by James H. Silence. I live near it and it is correct described in Exhibit "A" filed with the Bill and now shown me, and is about 120 acres and which now belongs to her husband and children

I have read the agreement Exhibit B. filed with the Bill by which the husband and the adult son contracted for themselves and on behalf of the infants to sell said real estate to Edmund H. McCeral for $1100=

I believe that it will be to the interest and advantage of all of said parties, both infants and adult to have said sale ratified and confirmed by the Court, because I think it is a fair price for the real estate.

To the Cross Examiner.

That is all about ~~that I know~~ Andrew J. Brown
