No. 8013. Equity.

Frederick County: Where was the last official correspondence with you to the best of your recollection?

ans. I cannot remember when he made his last visit:- I think it was somewhere in February or March 1905. Most of the correspondence in regard to the conduct of the business here was with Mr Fout. I have had some little correspondence from Mr Holmes in regard to the affairs of the Company since operations ceased here December. 1904.

18th Where is Mr Marshall Fout now? is he now a resident of Maryland?-

ans. I don't know of personal knowledge where Mr. Fout is. My best information is that he is at Meridian Mississippi

19th. When did he leave Frederick. Md?

ans. I don't know.

20th To the best of your recollection hasn't it been 3 or 4 yrs ago?-

ans. No Sir, my best recollection is that Mr. Fout left here subsequent to December 1904.

21st Do you know if the Builders Supply Co. has at the present time a corporate existence?-

(Excepted to)

ans I do not know.

22d Is the Builders Supply Co. at the present time a live going concern?

ans. From what I can understand of the effect of the proceedings in Washington & in this Court: the Builders Supply Co. is a dead gone concern.

23rd Do you know if the Builders Company has any money or capital or wherewithal to conduct its affairs and carry out the objects of its corporate existence? If it yet has a corporate existence (Excepted)

ans. I don't know but I think not from what I've heard.

(Answer excepted)

24th Do you know if the Builders Supply Company is solvent or insolvent?

(Excepted to)

25th In your opinion would it or not be to the interest and advantage of the stock-holders and any creditors of the Builders Supply Company that its assets in Frederick County, Maryland be sold and the proceeds arising therefrom be distributed under the order of the Court?

(Excepted to)

ans. So far as the assets in Frederick County are concerned in my opinion, it would be best for creditors and stock-holders to have such assets, realized on. That matter
