No. 8862. Equity.

his own right: that the Baltimore & Washington Milk Company is a Delaware corporation, with offices and doing business in the City of Frederick, Maryland, and in the City of Frederick, Maryland, and in the City of Washington District of Columbia.

Second: That in the above entitled cause, now pending in this Court wherein the Complainants as Creditors set forth certain claims against the defendant by order of this Court of June 25-1912. Richard J. Earnshaw and David Lowenstein were appointed ancillary receivers of the Defendant Corporation, the said ancilliary receivers of the defendant Corporation the said Earnshaw and Lowenstein, together with one Francis A. Cook, having been previously appointed principal receiver of said defendant Corporation by order of the Court of Chancery of the State of Delaware dated June 24-1912, and that under and by virtue of said order of this Court, the said ancillary receivers duly qualified and have since June 25-1912 and until the present time, been in the active conduct and operation of the business of said defendant Corporation.

Third under date January 15-1912, a deed of trust was duly executed and delivered by the defendant Corporation to secure an authorized issue of two hundred and twenty (225.) negotiable "First Mortgage Six per Cent. Five Year Gold Coupon Bonds" of par value of One hundred (100) Dollars each aggregating Twenty Two Thousand, Five hundred ($22,500) Dollars, which bonds bear interest at six per Cent. per annum payable semi-annually. Said deed of trust conveyed to the trustees therein named the land in Frederick City, Maryland, on which the milk plant and buildings of the defendant Corporation are situated, together with the personal property of every description thereon, and the personal property of the defendant Corporation situated at Ostalin Points in the District of Columbia, and also that in transit, or moving between said Frederick City, and the City of Washington, excepting therefrom bills and accounts receivable, dairy farm or products, raw milk and cream, butter, eggs and cheese. The said deed of trust contained the provisions, in paragraph twenty-two thereof, that the holders of at least twenty five per Cent. in amount of the bonds thereby secured and outstanding shall have the right to direct and control the method and place of conducting any and all proceedings thereunder. And said deed of trust was duly
