No. 8862. Equity.

were but little more than their disbursements during the Months of September and October, and that to continue much longer in the operation of said business there will be necessary an expenditure by the receiver of a Considerable Amount of money in the replacing of equipment, and it is improbable that there would ever be such a return from this required expenditure as would warrant its being made, and the petitioners have decided that it would be for their own best interests and for the best interest of the other Creditors of the said defendant Corporation to have the said ancillary receiver sell the property of the Corporation and distribute the proceeds of such sale to the bond holders under the deed of trust above described, and to such other Creditors as the Court may direct, after proper allowances for expenses and Commissions,

Wherefore The Premises Considered, the said petitioners pray that an order be passed allowing the petitioners, Charles Northeimer Assignee of the Central National Bank of Frederick and A.B. Overholt, to intervene in the above entitled Cause and that the said ancillary receiver be authorized to sell, at public or private sale, the franchise franchise entry, real and personal and the good will and all other assets of the defendant Corporation, so far as may be situated within the Jurisdiction of this Court.
