without loss and injury and I believe it would be to the best interest and advantage of all of us to have it sold to Mr.James, We have no money to make these repairs with and the interest,taxes and insurance and repairs about eats up all the renevue we get from it,it is more of a burden than profit to own it.

Clyde L.Hauver,a witness of lawful age produced on the part of the Plaintiff being first duly sworn and examined viva-voce deposes and says as follows.

My name is Clyde L.Hauver,I am 28 years of age I live in Frederick Maryland know the parties to this cause and the land and premises mentioned in these proceedings. The premises are 2.4 room frame houses on E.South Street this City,in very bad repair at present need new roofs,hydrants, fencing,porches,stairways and painting,it would cost probably $300.00 to make these repairs I understand William B.James has offered $1000.00 in cash for the houses that in my opinion is a good price and as much they'd sell for if offered at public sale,In my opinion it would be to the best interest and advantage of all those persons having an interest therein that the offer of Mr.James be ratified and confirmed by the Court.

To the General Interrogatory. Nothing more.
