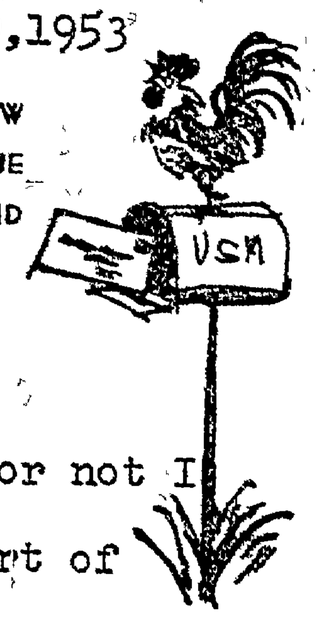
Exhibit 2



Dear Mr.Nusz:

You inquire as to whether or not I agree to the sale of the Harris farm,part of my mother's trust estate, for the $23,000. offered by Mr.Zeiler's prospect . It is still my opinion that this farm, properly managed,should sell for a higher price, and I assume that you've made certain that Mr. Anthony Smith, the prospect we sent you, will not pay more .

However I am worn out with the matter and consent to your selling it for whatever your Trust Comm. decides to be a fair price .

Very truly yours,

Barbara Averitt

P.S. Regarding the delinqency of Alfred Spates in paying his rent,I am not in the least interested that he wants his son to pay it for any reason. The point is Spates is under contract for the rent and is liable for it and the Trust company should take some action at once. He is now 5 months in arrears.
