John B. Henderson

In the name of God, Amen, I John B. Henderson, of Harford County and State of Maryland, being in the enjoyment of my usual health, and of sound and disposing mind, memory, and understanding, and being desirous of

settling my worldly affairs, and thereby be the better prepared to leave the world whenever it shall please God to call me hence, do therefore make and publish this my last Will and Testament, in the form following, that is to say

First and principally, I give my soul into the hands of Almighty God, and my body to the earth to be decently and plainly buried at the discretion of my two sons, who shall pay of my estate, all my just debts, funeral expenses, court and other charges.

Item. To my beloved wife, Sarah W Henderson, in lieu of her lawful thirds, I give and bequeath her maintenance, and a good home, so that she shall not be compelled to labor during any part of her natural life; including for her use during said term, the following particulars, to wit:- The rooms and furniture she and I now use; the small room and furniture immediately over our bed room; part of the garret, cellar, and milk house, if she desires them; free access to any part of my premises; her choice of any of my books; my carriage with a gentle horse and careful driver, whenever she wishes to ride; my watch and whatever else may be necessary for her comfort. I bind my Estate for these bequests, and injoin it on my sons carefully to attend thereto.

Item. I hereby confirm unto my two sons respectively and their respective heirs and assigns, whatever personal I have heretofore given them respectively. And at the death of my wife, I further give and bequeath as follows, to wit:- To my son John Wesley, his heirs and assigns, I give all my surveying and plotting instruments, with the mahogany box belonging to the compass; the bed, bed-stead and bedding, and the clock, all now in my wifes and my bed-room my watch and arm-chair, the book-case standing up stairs and a large chest also up stairs and half the bed-clothes it contains; the other half of said bed-clothes I give to my son Upton, his heirs and assigns. I further give to my son Wesley, his heirs and assigns, the small chest of drawers and half its contents standing in the parlor, and half the other small tools upstairs, the other half of them I give to my son Upton, to whom I give the first choice of my family Bibles, the other one I give to my son Wesley, with my small writing stand. At the death of my wife, as aforesaid, I give the remainder of my books, and my sewing machine, to my two sons, equally. At the same event, I give to my son Upton, his heirs and assigns, all the rest and residue of my household and kitchen furniture except what I have herein before bequeathed, to my son Wesley with the understanding, and my Will expressly is, that my book case and the desk on which it stands; my large Barometer, my Eight day clock, and spy glass, I give to my son Upton and his child or children, if he leaves any such surviving him, at his death; but if none such survive him, then these five articles just mentioned, shall thenceforth be the property of my son Wesley and his child or children who survive survive him. I also give my Carriage to my son Upton, at his mothers decease.

Item. All my Real Estate, and also all the remainder of my personal Estate, including stock, farming utensils, and farm produce &c. subject to the maintenance of my wife, as aforesaid, and subject also to the maintenance of whichever of my daughters-in-law shall have been left a widow, by the decease of one of my sons, as hereinafter mentioned and explained I bequeath and devise to my two sons, J. Wesley, and Upton B. in equal shares, but to be held and used by my sons in common until the death of my wife. After her decease, my sons may divide my Real Estate and the said remainder, equally between them provided said division shall be made by their mutual agreement and without recourse to the Court or to process of law. If they make such a division it is my will that each of my sons shall thenceforth Have and Hold his respective share of said property, Real and personal, to them and their respective heirs and assigns, forever. If either, or both of my sons die without having made such division, and each of them leave a surviving child, or children, at his death, I bequest and devise the one half of said property Real and personal, to the heirs and assigns of each of my sons, respectively, But if no such division shall have been made by and between my said sons, and either of them dies without leaving a surviving child or children, at his death, I devise and bequeath his share of said property, Real and personal, to my surviving son, his heirs and assigns forever, with the understanding, and it is especially my will that the widow of my son who thus dies without leaving a surviving child, or children, shall have a good home on my estate, until she marries again or dies, whichever first takes place. I moreover give her for said time, and no longer, the extra privilege of keeping a cow on my Estate, with sufficient pasture and rough feed for the same, sufficient grain during six months in each year she may thus keep her on my estate, as aforesaid. If my son Wesley leaves such widow I give her for said term, and no longer, the use of whichever three rooms she may choose in the dwelling now occupied by my said son and his wife. But if my son Upton leaves such widow, I give her for said term and no longer, the use of the parlor, dining room, and bed-room now occupied by son Upton and his wife. I expect that such widow (if any such should be so left) will perform a reasonable amount

of suitable labor, according to her strength, and will manifest a proper regard for the interests of my Estate.

Item. My Real Estate comprises part or parts of the following Tracts, or parcels of Land, to wit:- "Young low Heath." "Two Springs". "Turkey Range." "Bills Choice." "Crooked Meadows" "Turners Dependence." &c. lying in a body and contains about One Hundred and Thirty One Acres, more or less.

Item. My son J. Wesley having chiefly managed my Estate many years, and being considerably older, and more experienced than my son Upton. I therefore hereby appoint him, my son Wesley, manager of my Estate, as heretofore, according to the best of his judgement, and for the good of all concerned. And I have no doubt my son Upton will find his pleasure and advantage in cheerfully co-operating in this arrangement.

Item. If any disagreement should hereafter arise between my two sons, in regard to the meaning of this instrument, each of my sons shall chose a disinterested and competent person, and these two shall, if necessary, choose a third, and a decision of the majority of those thus chosen, shall be final in the case. I believe, and trust that my sons will have no difficulty of this kind. I have been at no small pains to make this my Will as plain as possible and equally in, and to, the interest of each. I have not, knowingly, used any partiality therein, as my sons are equally near to me. May they live in harmony here, and may we all safely reach the everlasting rest above.

Lastly. I do hereby constitute and appoint my sons John Wesley Henderson and Upton Brown Henderson sole executors of this my Last Will and Testament. (to settle my Estate) without bonds, revoking and annulling all former wills by me heretofore made, ratifying and confirming this, and none other, to be my Last Will and Testimony

Henry R. Archer.

I, Henry R Archer of Harford County in the state of Maryland, being of sound and disposing mind, considering the great uncertainty of life, and wishing to settle my worldly affairs, while in good health, do make and publish this my last will and testament

First I commit my soul to the care and mercy of Almighty God, our Heavenly Father in whom I pray that all my children will ever put their trust, and I direct that my body be buried in my Lot in Greenmount Cemetery.

Second Having purchased the farm on Susquehanna Narrows, in Harford County called "Eildon" at a price supposed to be less than its intrinsic value, with the intention that my Brother Robert (since deceased) should have a home there during his life, and that his son Henry should have the benefit of the

purchase on Equitable terms. I have kept an accurate account of the money paid and expended by me for and on account of said farm and its improvement and for the support of my said brother, and and for the education and support of his said son, which I have charged against said farm. and if all the rents and profits and all my receipts to credit of said account, and I now will and direct that my said Nephew Henry H Archer of Robert shall have the privilege of taking said farm at any time within six months after my decease at and for the balance or net amount I have charged against it, with legal interest, including such entries of debit or credit for the year last past or this or succeeding years as I may have omitted to make so that all the net rents and profits of the farm to time of settlement shall go to its credit, and on the payment of such balance to my Executors I authorise them to convey said farm to him in fee simple. But if he shall elect not to take said farm on the terms stated above, or shall neglect for six months after my decease to pay or secure said balance to the satisfaction of my Executors, it is my will that the right to redeem, which I have given him, be foreclosed, and that said farm be sold, and the net proceeds be applied to the payment of said balance with the interest accrued thereon, and the surplus if any be paid to my said nephew.

Third I give and devise to my dear wife Mary E Archer, the farm on which I now live situated near Bel Air in Harford County called Shamrock, with the family carriage, and the pair of horses usually driven therewith, and all the household furniture including plate and pictures in the dwelling house on said farm (except the furniture in the chambers usually occupied by our children) during her life or as long as she may choose to make it her place of residence. But if she shall prefer to reside elsewhere and at any time within one year after my decease shall elect to change her place of residence and relinquish the above devise and bequest, then instead of what I have given her above, I give her an annuity of Twelve hundred dollars per annum, to provide herself a home, wherever she may choose to live, with such of the furniture as she may select, and deem necessary for her own use and I hereby authorise and direct my Executors to

keep invested in good interest bearing securities, the sum of twenty thousand dollars to secure said annuity which is to be paid to her in half yearly instalments from the time she may relinquish her home at Shamrock, as long as she may live — What I have given my wife in this third clause of my will is intended in lieu of her right of dower in my real Estate after consultation with her, and because I am satisfied it will be less troublesome, and much more satisfactory to her.

Fourth. Having heretofore by writing under my hand and seal assigned and delivered to my said wife certain bonds and securities amounting at their par value to — in trust for the support of herself and our children, reserving to myself power to alter and change the trusts as by reference to said assignment, and the papers under my hand and seal attached thereto will more fully appear, I desire now to make no change by this will in regard to said trust fund, which is not to go into the hands of my Executors, nor be administered by them, but is left subject to the same trusts, in said assignment and papers thereto attached, more fully expressed, still reserving to myself the same power to declare and appoint from time to time other uses in regard thereto, as is reserved in said assignment.

Fifth In addition to what I have already herein given to my dear wife I give to her for her sole and separate use, one third part of all the rest and residue of my personal estate after payment of debts and legacies, and the expenses of administration which I direct shall be kept invested by my Executors in bonds and mortgages, or other safe securities, the interest thereon to be paid to her as it accrues and becomes due during her life, and after her death the principle to be divided among my children like the residue of my Estate.

Sixth All the rest and residue of my estate I will and direct to be divided among my children Lizzie, Henry, William, Mary, Nannie, James and Graham as to make them all equal and in making such division it is my will that the property both real and personal, be appraised by judicious, capable and disinterested persons and be divided, specie as far as practicable without loss or injury but I give my Executors full authority to sell such part

thereof as they may think it judicious to sell and authorize either of them with the consent of the other to become the purchaser of any part of my Estate provided that if they or either of them shall purchase any part or parts of my Estate the sale shall be at not less than the appraised value, or be approved and ratified by the Orphans Court of Harford County or by the Circuit Court as a Court of Equity.

Seventh: The shares of my said sons I give and devise to each of them absolutely in fee simple, but the shares of my said daughters I give and devise to my son Robert Archer in trust for the sole and separate use of each of my said daughters respectively to each of whom I give the power of directing how her share shall be invested, and power of appointment as hereinafter provided. I therefore empower and direct the trustee to invest the shares of each of my said daughters in such property and interest bearing securities as she may in writing direct and he approve as judicious investments, and from time to time make such changes in the investments as she with his approval may in writing direct the trustee to hold the said trust funds and the investments thereof for such uses and purposes as my said daughters may, each as to her own particular share, by deed or will, appoint and direct, such deed or will to be executed according to the form required by the law of Maryland to convey real Estate, and until or in default of such appointment, the Trustee shall hold the share of each of my said daughters for her own sole and separate use and benefit, and pay over to her the interest or income derived therefrom half yearly or quarterly as the same may accrue during her life, and after her death the said trust fund to go to her next of kin and their descendants in equal degrees equally. The share of each daughter to be as separate and distinct from the other as if there was a separate trustee for each of them.

Lastly I hereby appoint my sons Henry W Archer and William S Archer Executors of this my last Will and testament with power to do all that I have herein directed to be done by my Executors, and if either of them shall neglect or refuse to accept the appointment, the other shall have full power to act as if he alone had been named as Executor, and as full compensation for their

services and responsibility as Executors under this will I give to each of them three thousand dollars in lieu of commissions. And having entire confidence that in the settlement of my Estate they will act faithfully and to the best of their ability I desire that they shall not be required to give any bond.

And revoking all other wills by me heretofore made I declare this only to be my last will and testament

In Witness whereof I have hereunto affixed my hand and seal this thirty first day of March in the year eighteen hundred and eighty three

Graham Archer parties hereto of the first part all of Harford County State of Maryland and Robert Archer of the same County and State party of the second part.

Whereas Henry H. Archer the father of the parties hereto has omitted from the residuary clause of his Last Will & Testament the name of Robert his son, and whereas the said omission is evidently a clerical mistake, and whereas the said parties hereto of the first part are desirous of correcting said omission in order that the said Robert shall participate in the final distribution of the residuum of our Fathers estate after the payment of all debts and specific legacies contained in said will and shall receive a child's full share we do execute this agreement.

Witnesseth that in consideration of the premises of actual love and affection and the sum of one dollar in hand paid, the said parties hereto of the first part do grant, bargain, sell, assign, transfer and set over to the said Robert one undivided eighth interest or part in and to all the property and estate both real and personal which has been devised to the said parties of the first part by the residuary clause of said last will and Testament of our Father, Henry H. Archer, deceased, and we do further agree to execute such paper or papers as may be requisite and necessary to perfect and carry into execution this contract in order that the said Robert shall receive a full child's part or share

Bond of H. H. Archer's Heirs & His Executors -

Know all men by these presents:

That we, Robert Archer, James J. Archer, C. Graham Archer, Elizabeth Archer, Mary A. Archer and Ann Archer of Harford County in the State of Maryland, are held and firmly bound unto Henry H. Archer and William S Archer in the full and just sum of Fifty thousand dollars, to the payment of which well and truly to be made and done, we bind ourselves and each of us, our and each of our heirs executors and administrators, jointly and severally, firmly by these presents. Sealed with our seals and dated this first day of March in the year 1888.

Whereas a certain Henry H. Archer late of Harford County, deceased, by his last will and testament, which has been duly admitted to probate by the Orphans Court of Harford County, named and appointed his sons Henry H. Archer and William S Archer, his Executors, who have taken out from said Court letters testamentary and have entered upon the discharge of their duties.

And whereas, the said Henry H. Archer in drafting his said will named all of his children in the residuary clause thereof, except his son Robert Archer, and whereas all of said children the only beneficiaries under said clause therein are convinced that said omission was a mistake, and an oversight, and was inadvertently done by their father in drafting his will, and for the purpose of rectifying said mistake and giving to said Robert a full childs part of said residuum have requested the Executors aforesaid in making distribution of the

residuum of said estate to act as if said Robert's name had not been omitted and to pay over to him an eighth part thereof. and have also requested the Judges of the Orphans Court of Harford County to approve of a distribution made as aforesaid, and whereas all parties in interest are desirous that each and all of them shall assume and take upon themselves jointly the full responsibility for distributing the residuum of said estate into eight instead of seven parts and for paying over to said Robert Archer one of said eighth parts and that said responsibility shall not be borne alone by said Executors.

Now the condition of the above obligation is such, that if the above bound obligors shall at all times save and keep harmless the said Henry H. Archer and William S Archer, Executors as aforesaid from any and all loss or damage of every kind and nature whatsoever that they or either of them may or might suffer or be liable for by reason of their making distribution of the residuum of said Henry H. Archer's estate into eight instead of seven parts and paying over one of said eighth parts to Robert Archer, more especially from all loss or damage they may or might suffer by reason of any objections being made to said distribution by Graham Archer when he arrives at twenty-one years of age, then every matter and thing herein contained shall be null and void otherwise to be and remain in full force and virtue in law

Allen Middleton.

I, Allen Middleton, make this my last Will and testament and hereby revoke and make absolutely void all testamentary writings heretofore made.

It is my will and I accordingly direct that my funeral expenses and all just debts be paid as soon as possible after my decease and the balance of my estate be distributed as follows:

The income of twenty thousand dollars to Edith Barnes sister of my late wife during her life.

The income of five thousand dollars to Sarah Middleton widow of my late brother John W. Middleton during her life.

The income of five thousand dollars to Sarah Middleton widow of my brother Edward Middleton during her life.

The income of five thousand dollars to Lydia Haines wife of Bakeley Haines during her life.

The income of five thousand dollars to Ann S. Middleton wife of Albert Middleton during her life.

The income of five thousand dollars to Catharine DeCow, wife of William DeCow during her life.

To my brother Charles Middleton my house and land at Haines Port during his life.

To Jane Henry the income of one thousand dollars during her life.

And I hereby give and bequeath the following sums, absolutely

To Allen C Middleton, three thousand dollars.

To Tenlon H Middleton, three thousand dollars.
To S. Lucy Middleton, three thousand dollars.
To Howard Middleton, three thousand dollars.
To Edward H Middleton, three thousand dollars.
To Author H. Middleton, three thousand dollars.
To Ann E. Smallwood, three thousand dollars.
To Clara E Paul, three thousand dollars
To Emma A Kaighn, three thousand dollars.
To Alice G. Middleton, three thousand dollars.
To Albert H Harris, three thousand dollars.
To Mary Parry, three thousand dollars.
To Richard D'Olou, five thousand dollars and also my interest in the firm of J. K. Shivers & Co, absolutely and my interest in the Sutton Farm in Harford County Maryland, during his life.
To Walter J. Middleton, three thousand dollars.
To Emma Love, three thousand dollars.
To Clara Barham, daughter of my old friend Edwin M. Bunting, three thousand dollars.
To Kate Pennock, one thousand dollars.
To Allen M. Long, one thousand dollars.
To Allen M Pennock, one thousand dollars.
To John B. Quirk, one thousand dollars.
To W.H. Streeter, one thousand dollars.
To W. H. Hemilold, five hundred dollars.
To Edda M. Satterthwaite, one thousand dollars
To Laura Casper daughter of my old friend Joseph Casper, three thousand dollars
To Albert C Middleton, Edward M. Middleton, Frank B. Middleton, and Mary A Middleton, each one thousand dollars children of Frank B. Middleton.

It is my will and I accordingly direct, that my trustees do not sell any patents I may own at the time of my decease with the view to settle my estate, but to retain the same, and carry the income receivable therefrom into the trust herein created.

I order and direct my trustees to set apart sufficient of the corpus of my estate, the income from which will surely pay those for whom I have made provision for their respective lives, and of such sufficiency my trustees alone shall determine. And if the balance of my estate shall not be sufficient to pay the legacies herein bequeathed absolutely, such absolute legacies shall suffer proportional abatement, it being my will that the income for the life legatees shall, in any event, be first made secure without abatement.

I also will and direct that my trustees retain the legacies bequeathed to minors, until they shall respectively attain the age of twenty one years, paying however, the income therefrom to their respective guardians in the meantime, and as soon as the said minors shall respectively attain the age of twenty one years then to pay the said legacies into their own hands, if alive, it being my desire and will that my trustees shall handle and manage my estate until the time shall arrive for the payment of the proper portion to the legatee in person.

Should there be anything remaining after setting aside a sufficiency to secure the life legatees and the payment of the absolute legacies, it is my will that my trustees shall invest the same and all income in excess of what shall be required to pay the life legatees their income until the death of the survivor of the latter class. Upon the occurence of which event I order and direct my said trustees to convert all securities and estate of whatever character into money and to divide the said money absolutely among the absolute legatees in the portions that their respective legacies bear to the money thus to be distributed. If any of the said absolute legatees shall then be deceased, it is my will that the proportion due such shall be regarded and treated as a part of the estate of such deceased legatee and be paid and distributed accordingly.

As the life legatees shall from time to time become deceased, if the corpus of my estate set apart to secure the same shall become more than sufficient to secure the income for the surviving legatees, I direct that the excess be transferred as occasion may require to the trust estate which is to be distributed upon the death of the survivor of the said life legatees.

I appoint Richard D'Olou, Howard W Middleton, and Amos Briggs, Executors of this my will, and also trustees to carry and manage the estate herein directed to be placed in trust.

In the case of the death or resignation of one or more of my said executors or trustees, I appoint in his or their place the Fidelity Insurance and Safe Deposit Company of Philadelphia to fill the vacancy caused thereby.

In wherof I have hereto subscribed my name and put my seal, and declare the aforename

going to be my last will and testament this eighteenth day of October A.D. 1887.

I further will and direct that the Due Bill given me by Thomas & Charles and William Harrop for $5000, may be extended for five years after the maturity of the same upon their giving a new due bill therefor with interest as heretofore payable half yearly.

Also that the due bill of George W Barham for $5000, may be extended for five years from the date of its maturity, upon his giving a due Bill for the same with interest payable as heretofore quarterly.

I also extend the lease of property to Edwin M. Bunting, Sixth street above Oxford for five years after its expiration, upon the same rental and terms.

I also remit to William Earley and release to him all the claims I have against him, except a judgment amounting to $500, and the amount standing to his debit in my books.

I also will and bequeath to Allen C Middleton son of my brother Charles Middleton, my gold watch and one chain that I am now wearing.

In witness whereof I hereto attach my name and seal in presence of witnesses this twenty ninth day of October A.D. 1886

William Woolsey.

I, William Woolsey, of Harford County and State of Maryland, do make publish and declare this as and for my last Will and Testament.
I give devise and bequeath all my property, real personal and mixed to my executor hereinafter named, in trust to convert all such part thereof as he may think expedient into money, as soon as practicable after my decease, and to invest the same in Mortgages upon land or other approved securities, with power to collect change or dispose of said invest-

and any or all reinvestments thereof, by sale or otherwise and to convert the same into money or other investments from time to time as he may deem safest and best, the purchaser of any property or investment from said executor to be in no wise responsible for the application of the purchase money, to collect the rents, profits and income from said ~~property said~~ property and investments, and after paying all expenses of caring for, preserving and managing said that property real and personal, then to pay over the net income thereof to my two sisters Catherine and Rebecca, should they survive me, in equal shares, and upon the death of either, or in case one of them should survive me, then to pay over said entire net income to the survivor for and during her natural life, and upon the death, or election of such survivor or in case neither of them should survive me, then to sell and convey forthwith all of my real estate remaining unsold and to pay and pass over said entire estate and property to John Moores, Alexander S. Bell, and Stevenson A. Williams or the survivors or survivor of them and their successors, to hold upon the following trusts, that is to say, to invest the same in Mortgages upon land or other approved securities, with power to collect, change or dispose of said investments and any or all reinvestments thereof by sale or otherwise and to convert the same into money or other investments from time to time as they may deem safest and best. the purchaser of any property or investments from said trustees to be in no wise responsible for the application of the purchase money, to collect the incomes and profits thereof and the same to reinvest from time to time with like powers over said investments and all reinvestments of income, and to hold the same including all accumulations thereof, until "the county commissioners of Harford County obtain such legislation as may be necessary and proper (provided any legislation shall be necessary) to enable said body to carry into effect the objects and purposes hereinafter mentioned. and until said county commissioners perfect the following public and county roads in said county by macadamizing the same under the charge and direction of a competent civil engineer and to the satisfaction of said trustees, the survivors or survivor of them or his or their successors in this trust, that is to say, first the road from Bel Air to Churchville, Second, the road from Churchville to Havre de Grace by way of either Avondale or Hopewell, third, the road from Churchville to Aberdeen at the station of the Philadelphia Wilmington and Baltimore Rail-road, fourth the road from Churchville to Darlington, by way of Glenville and Wilsons Mill, fifth the road from Churchville to Calvary Church and upon the completion of said first named road and the approval of the same as aforesaid by said trustees, then to pay over to the said county commissioners the sum of Ten Thousand Dollars

($10,000) out of said trust fund, and upon the completion of said road named secondly above, and the approval thereof as aforesaid, then to pay over to the said county commissioners the further sum of Twenty Thousand Dollars ($20,000), and upon the completion of said road named thirdly above and the approval thereof as aforesaid, then to pay over to the said county commissioners the further sum of Eight Thousand Dollars ($8,000), and upon the completion of said road named fourthly above and the approval thereof as aforesaid then to pay over to the said county commissioners the further sum of Fifteen Thousand Dollars ($15,000), and upon the completion and approval as aforesaid of said road named ~~named~~ fifthly above then to pay over to the said county commissioners the further sum of five thousand dollars ($5000)

It is my will and desire that said roads shall be completed and paid for, as herein provided, in the order I have named them, so that in case the said trust fund shall not be sufficient to complete them all, those named latest shall fail in order beginning with the last; and I do not intend by the description I have given of said roads to confine the improvements to be made to the present location of each road if the county commissioners and the civil engineer aforesaid think best to make changes in the location thereof; the description herein being merely intended to indicate the points to be connected by said roads and the general direction in which it is to be done.

It is further my will and desire and I make it a condition precedent to the right of said county commissioners to receive the aforesaid money, that said legislation be procured, should any be necessary, and said roads or so many thereof as said commissioners may perfect and make for the money said trust may yield, shall be made and completed within five years from the date of the election or death of my last surviving sister, or in case I survive both my said sisters, then within five years from the date of my death. By the words "election of my last surviving sister", I mean her determination, in case it should occur, to waive her life interest in said trust estate or any part thereof and to permit said fund or any part thereof to pass from my executor to said trustees; and in case she should so elect, as to a part only, then the aforesaid five years shall begin — to run against said county commissioners only in reference to the road or roads, upon the completion and approval of which said trustees would be able to pay for, in the then condition of said fund.

In case all said roads shall be perfected and made as aforesaid, and a part of said trust estate shall remain unexpended after paying the respective amounts herein fixed to be paid therefor, the same shall be invested by

trustees as herein before directed and with like powers and held by them with all accumulations thereof for the period of three years from the date of the completion of the last of said roads, and if at the expiration of said date, all said roads are in good order and repair and have been so kept by the said county commissioners, the said trustees to be the judges thereof, then they are to pay and pass over to the said county commissioners the entire balance of the trust estate then remaining in their hands to be by the said commissioners expended in their discretion for mending and perfecting macadamized roads in said county.

In case of the death, incapacity or resignation of either of the trustees above named, his successor shall be appointed, upon the nomination of the survivors or survivor, by the Circuit Court for Harford County as a Court of Equity, and so, in case of the death, incapacity or resignation of any trustee so appointed my intention being that the number of trustees shall always be three, to be appointed by said court, upon the nomination of the surviving trustees or trustee.

In case the provisions or any of them of this my will for the application of the estate after the decease or death of my last surviving sister, toward improving and macadamizing public roads in my own county shall, for any reason, fail in whole or in part, then I give devise and bequeath and direct that the entire balance remaining in the hands of the trustees therein named shall pass and be paid over as follows, that is to say, the one half part thereof to the Board of County School Commissioners of Harford County for the use of free public schools in said county, and the other half part thereof to the Trustees of the Churchville Presbyterian Congregation.

I give and bequeath the following legacies to be paid by my executor as soon as practicable after my decease and I charge the same upon my entire estate, that is to say, one thousand Dollars ($1000) to Caroline Bowers, the colored woman now and for a long time past in my employ; five hundred dollars ($500) to Rose Hawkins, the wife of John S. Hawkins and daughter of the late Patrick Clark, and five hundred Dollars ($500) to the Trustees of the Churchville Presbyterian congregation aforesaid, which I wish said last named body to apply towards erecting an iron railing around their churchyard at Churchville.

I hereby constitute and appoint my friend Stevenson A. Williams, to be the sole executor of this my last will and testament, with full power to sell and convey any or all my real estate to carry into effect the purposes of this my will, and I hereby revoke all wills heretofore made by me.

Witness my hand and seal this seventeenth day of December in the year 1888.
