John Lee Carroll
his
Last Will & Testament

I, John Lee Carroll of Howard County in the State of Maryland do make this my last Will and Testament hereby revoking all other Wills or codicils made by me at any ~~XXXX~~ previous date.

First. I direct my executor hereinafter named within what he may consider a reasonable time after my death to pay over in equal amounts the sum of ~~X~~ one hundred and five thousand dollars, to the following five of my children or to their representatives in law, namely,

Mary Louisa de Kergorlay
Anita Maria de La Grange
Royal Phelps Carroll
Charles Carroll and
Mary Helen Robbins -

this sum of one hundred and five thousand dollars is the amount inherited by me as a life estate from their mother my first wife

In realizing this sum of money from my personal securities I would suggest that my executor consult with my Bankers in New York as to the best method of obtaining this end. The full list of my securities will always be found enclosed with this my will and as they are all registered in my name the custody of nearly all of them at the present time is in the hands of Messrs Maitland Coppell & Co of New York

This estimate of the value of these securities inherited from my first wife Anita is based upon a statement in writing of their value which is contained in the envelope with this will and which was made and signed as correct by the late Royal Phelps the grand father of the five above mentioned children.

Second. I give and bequeath to Annie Cunningham the sum of one thousand dollars ($1000) to be paid to her by my executor within three months after my death, this bequest is granted to her in consideration of her most faithful service to my dear wife Carter during twenty two years the entire period of our married life and especially for her untiring devotion during the last illness and death of Mrs Carroll in the early days of March 1899.-

To my old colored cook Louisa Brau, - should she be living at the time of my death I give and bequeath the sum of five hundred dollars for long and faithful service and for the same reason I direct that the sum of two hundred and fifty dollars be paid to our old house maid Dinah Stewart.

S S S S

Third. After the payment of the aforesaid sums of money as directed by the preceding sections of this my will, I give and devise to my dear son Philip Acosta Carroll and to his heirs forever all the rest and residue of my property of every kind and description real, personal and mixed.-

Fourth. I hereby designate and appoint my son Philip Acosta Carroll as the executor of this, my last Will and Testament, and I expressly direct that he shall not be required by the Court to give any bond for the faithful performance of his trust other than that which may be legally required to secure the payment of the tax which will be due to the State.

Fifth. The Policy of Insurance on my life for ten thousand dollars taken out from the Equitable Society of New York has been for some years a paid up policy and has been endorsed by the authorities of that Association as a policy which is entitled to to the highest annual profits paid by said Company.

It will be found in the cus- of Maitland Coppell & Co. of New York with my securities.

Sixth. The Home farm of Doughoregan Manor consisting of about nine hundred acres of land (825 acres bought in 1847 from my brother Charles Carroll and seventy five acres bought from the late Matthias Hammond) belongs at my death to my five XXXXXX children above mentioned by my first wife, I having inherited a life estate in it at the death of their mother.

The House is now insured for $30000. by the London Liverpool & Globe Company for five years and will be renewed by me if I am alive, and the policy is dated Feb'y 1906-

It is filed among my papers but so far I have not been able to place it.

It is my full hope and expectation that my dear children at my death may make some arrangement among themselves by which our old and beautiful home may always remain in our family.

Finally I wish in this my last Will to express my full appreciation of the deep affection which has always been shown me by my children one & all during every period of their lives,-In our trials and misfortunes they have sincerely mourned with me and have never failed to do everything in their power to comfort me in the hours of my distress.

In witness whereof I have hereunto set my hand and seal on this 28th day of XXXXX May nineteen hundred & seven.
