of the Land Law: The end of this Line at the Branch in the platt is described at the Letter: H: and thence whereas by the Originall Certificate the Rest of the bounds of Marshes Seat is Concluded by parkers Branch and Creek by the Defend.ts Directions I Runn downe this Small Branch into the main Branch Called Parkers Branch described in the platt at: I: and So with the main Branch Creek to the first Beginning as by the Prickt Lines in the platt appears Containing two hundred and Sixty Acres - - - - - -

And further according to the pretentions of the Defd.t in presence of the Compl.t I have resurveyed and laid out the Tract of Land called Gadlick Beginning at the Same White oake where the Compl.t began described in the platt at: E: but whereas the Defend.t alledges the Second bounded tree at the end of Sixty Eight perches is not Sufficiently prooved to be the Second bounded tree of Gadlick: I do therefore ordered me to runn West one hundred perches as the Originall Certificate mentions the end of which Line is described in the platt at: K: thence north one hundred twenty four perches to the Defend.ts Line of Marsh-Seat: described in the platt at: L: thence East with the Line of Marsh-Seat to the forementioned Small Branch described in the platt at: H: and thence whereas the Defend.t Claimes to hold all the Land Between the West by North Line of Marsh Seat and parkers Branch and Creek - by Virtue of his Antient Survey of Marsh Seat by Reason whereof he Would not Admitt me to Continue the East Line any further: But ord.d me to Runne with this Small Branch and the main Branch called parkers Branch and Creek to Herring Creek and thence with a Straight Line to the first bounded tree as by the prickt Lines in the platt appears Containing Sixty three Acres. - - - - -

All which Resurveys were made according to the above Certificates and platts hereunto annexed this 19th day of Octob.r 1718 Anno
