When you need a friend

Call C.B. Channel 9

. . . THE STATE POLICE

All State Police Installations and patrol cars are equipped with C.B. Radios.

THE MARYLAND STATE POLICE are highly trained to perform the functions that ensure the safe and lawful use of the highways of the State of Maryland. They are constantly on patrol in the interest of the motorist. Over 1,500 troopers are stationed at key locations throughout the State; when you need assistance or information call them on C.B. Channel 9 or visit one of their installations.

IN CASE OF ACCIDENT: Maryland law requires the operator of a vehicle involved in an accident to stop immediately and remain at the scene of the accident until the following requirements have been fulfilled: (1) Render assistance to any person injured; (2) Give his name and address, vehicle registration number of the vehicle he is driving, and (3) Upon request, exhibit his driver's license to the person struck or the driver and owner of any vehicle damaged in the accident.

The driver and/or owner of each vehicle which is in any manner involved in an accident within the State that results in bodily injury to or death of any person, shall within 15 days report the matter in writing to MOTOR VEHICLE ADMINISTRATION, 6601 RITCHIE HIGHWAY, N.E., GLEN BURNIE, MARYLAND 21061. Accident reports may be obtained from the MOTOR VEHICLE ADMINISTRATION, State Police Department, or Local Police Department. When any such accident is investigated by the Police and a report is filed with the Maryland State Police, the requirement for filing the report described above is waived.

REPORT DRUNK DRIVERS: Driving a motor vehicle while intoxicated is a serious offense which all too often results in tragedy. It is, therefore, important that you report all drunk drivers to State or local law enforcement agencies as soon as they are detected.
