(1) Render assistance to any person injured;
(2) Give the name and address and registration number of the vehicle he is driving;
(3) Upon request, exhibit his driver's license to the person struck or the person attending any vehicle involved in the collision;
(4) If there are no serious injuries, move vehicles out of travel lanes to the side of the highway.

SAFETY BELTS AND CHILDREN'S SAFETY SEATS: All children under age 18 must be in safety seats or safety belts. Children under age 4 must be in safety seats. The driver and front seat passenger must be in safety seats. The driver and front seat passenger must be the ones required by law to use safety belts. Use of available restraints by all occupants is recommended.
