THURSDAY, April 25, 1805.

The brig Saunders, Singleton, 33 days from Madeira, who informs that a few days previous to his sailing an English squadron under the command of admiral Cochrane, consisting of 5 74's, and a 98, called there in pursuit of the Rochefort squadron. He left at Madeira ship Hiram of New York, under survey. April 10, lat. 31, long. 64 spoke brig Superior, of and from Philadelphia. April 13, lat. 33 long. 65, fell in with the brig *Jane and Eliza, Russell, from Baltimore, for Trinidad, in great distress, having lost her rudder and sprung a leak.* Captain Singleton took off the crew, from whom we have the following:—The brig Jane and Eliza, of Baltimore, Elisha Russell, master, sailed from Cape Henry, for Trinidad on the 7th of April, that on the 12th. she experienced a very heavy gale of wind, with a high sea, which at four o'clock P. M. (being then in lat 33 28, long 64 35,) carried away her rudder, stove in the counter plank, started several other plank attached to the transom, and did the vessel considerable other damage; when the water gained on them so fast that they could not keep her free until they throw a considerable part of her cargo overboard to lighten her, which having done, and the cable, with a drag to it, being veered out, she rode it out till the brig Saunders fell in with them in the evening of the 13th inst when the crew wished to leave the vessel, but the sea running high, captain S persuaded them to remain on board 'till next morning, promising that he would stay by them, which he did, and it being calm the next day he took them, with a few necessaries on board; and to captain Singleton, the master E. Russell, Wm Blankinship, the mate and Mr Benjamin T. Glenn, a passenger on board the Jane and Eliza, wish thus publicly to render their heartfelt gratitude for his instant attention to their signal of distress, for his anxiety for their relief, for his staying by them through the night, and for his great civility and kind treatment while on board his vessel.

Captain Mead, of the Commodore Barry, on the 7th of April off the Moro, spoke the ship George Washington from New Orleans, for Liverpool, out ten days.

Arrived on Saturday sch'r Young Lyon, captain Dangerfield in 28 days from Jamaica.

When capt. Dangerfield left Jamaica on the 23d March, it was not known that any additional force had arrived from France, other than the first fleet; which alone caused considerable alarm, their being but one ship of war there; all others were called in from their respective stations, to concentrate their force in the approaching danger.

The Young Lyon had capt. Hammond put on board him, by the captain of a small French privateer, whose vessel had been taken on her passage from Jamaica to New York.

Also, brig John, captain Martin, in 20 days from Jamaica, (performing his voyage in and out in the very short space of 44 days.)

Extract from the Log-Book of the John.

Sailed in company with the ship Arcturis, late Windsor, for Norfolk (capt. Windsor died on the 23d ult. of the yellow fever) and sch'r Betsey Cox, captain Cox, for Newbern. Left at Kingston, ship Providence, Gibson, to sail in six days for New Orleans, Brutus, Bunce, for do. in 5 days.

April 3d off the Isle of Pines was boarded by a French armed schooner who very insultingly overhauled our papers and vessel, and robbed us of one barrel of pork, two coils rigging and sundry other articles, and then left us to proceed with the promise of payment the next time they boarded us. On the 4th do. was boarded by a pirate under French colors, Cape Anthony, bearing S. by E. dist. about four leagues, who had an English brig prize, and an American schooner in company, and robbed us of our oars, boat, twine, fish &c and forced to take two of their prisoners on board, & treated us with the greatest contempt, and left to proceed. The 6th do. spoke the brig Constellation, from Kingston, bound to Beaufort N. Carolina ten days, the Colorado bearing E. S. E. who informed us that he was boarded on the 3d inst. off Cape Anthony by a felucca privateer under French colours, & taken into anchor under the aforesaid cape, and robbed us of 25 yards of new canvas, log line, pair of steelyards, two new hats, all his nails and hammers, one quadrant, musket, dressing box, one pair of silver mounted spectacles, two coils new rigging, sail twine, palms and needles, 3 marlin spikes, cash 100 dollars, 2 silver watches, and all the seamen's clothes without respect, and likewise his and mates cloaths, cabin stores, and then a sail hove in sight, they permitted him to proceed with much abuse, telling he might think himself well off they did not take his brig The same day we spoke the Washington, Chase, from Jamaica, in 9 days, bound to New York, he 11th do. saw the wreck of a large ship on the Flora Reef, but no person on board, it blowing strong, did not attempt to board her.

Captain Martin sailed 8 days after the Young Lyon, and would be expected to bring something of moment; he however but confirms the supposition, that the Toulon fleet is not in those seas.

Fifty Dollars Reward.

STOLEN on Monday morning last, between the hours of 2 and 4 o'clock, from the stable of the subscribers, at Woodbury Mills, on Jones's Falls, about four miles from Baltimore a Waggon HORSE. He is a grey Gelding, about 4 years old, in high order, about 15 or 15½ hands high. He is a well turned horse, but not a good hack; trots rough, has a tolerable long switch tail, and his head more white than his body. The villain who stole him was seen this morning about day light, near Beams's tavern, on the Reister's town turnpike road, in company with a black man on a black horse; he then had the blind, bridle, on the Horse, about half worn, which he took from the stable with the horse; and was riding on a blanket in the place of a saddle. We will give Twenty Dollars for the horse, if delivered to us in Baltimore; or Fifty Dollars for thief and horse, upon conviction.

There is no doubt but the horse is stolen by one of the gang of Jockeys who are lurking about the city, and it would be well for those who have horses, to keep a vigilant look-out for these fellows; and endeavor if possible to bring them to justice, as a number of horses have lately been stolen in or near the city.
