### PERSONAL.

The marriage of Mr. Geo. L. Zell and Miss May Forbes, of Baltimore, in Washington on the 27th ult. created some sensation. The bride is a daughter of Mr. W. L. Forbes. She is extremely pretty, possessing a notously fair complexion and hair of Titian tint, so raved over by poets. The groom is heir to a fortune of something over a hundred thousand dollars. He is a brother of Edward Zell, who has a fine stock farm on the Eastern Shore. His sister, Miss Rosa Zell, married Mr. Berry Bull and resides in the Green Spring Valley. The ceremony which made man and wife Mr. Geo. L. Zell and Miss Forbes, was the result of a quietly planned trip to Washington to avoid the necessity of a public wedding. They had been engaged for some time, and the officiating clergyman acted in the same capacity for the bride's father and mother some twenty odd years ago. The bride was one of the most popular girls in her set, and since the announcement of her marriage, she has been overwhelmed with congratulations.—*Every Saturday.*

Among the visitors to Towson the past week was Mr. W. B. Shelbley, of New Bloomfield, Pa.

Mr. H. Sherzer, of Seattle, State of Washington, forwarded interesting papers from that place the past week.

Mrs. Thomas Chatard will soon take possession of her home, in Washington, D. C. for the winter months. The summer has been spent with her sisters, Mrs. Robert Morrison and Misses Charlotte and Rebecca Williams, at the family country seat, Long Green, Baltimore county.

The marriage of Miss Sallie McLane, daughter of Mr. Louis McLane, and Mr. D. C. Fisher, Jr., son of ex-Judge Wm. A. Fisher will take place towards the latter part of October.

Miss Nellie Stump greeted the Metropolitan, 92 years, old and received his blessing. The Metropolitan officiated. The Grand Duke and the Prince were gracious with the ladies assisting them with their wraps.

Among the visitors to Towson the past week was Mr. Saml. Hill, of Baltimore, the well-known real estate agent and conveyancer. Mr. Hill took a jaunt around the town to see how much improvement had been made since he moved away in 1858.

In the absence of John T. Ensor, United States District Attorney, (who is confined to his room at his residence, Towson, by illness,) his son John S. Ensor, tried the case of J. S. Nicholson, of Talbot county, charged with attempting to sell "green goods" or counterfeit money, in a very able manner. Nicholson was convicted.

Miss Mamie German, of Howard county, is visiting relatives in Towson.

Among the visitors to Towson on Wednesday 15th was Dr. J. W. Cuddy, of 506 North Carrollton Avenue, Baltimore. The Dr. is a native of the 10th District, Baltimore county, and came to witness how the Towson people would behave with their new "squirt." The Dr. went away well satisfied not only with the "squirt," but with the citizens of Towson.

There was a large delegation from Baltimore county at the Hagerstown Agricultural Exhibition, which was a large and attractive fair and had thousands of visitors from all parts of the country. They were hospitably entertained by the Association on Thursday last. The visitors from Baltimore county were—Col. D. M. Mathews, Colgate Hoffman, John B. Longnecker, Chas S. Grason, Edward Lippincott, Washington Stevenson, Dr. H. S. Jarrett, Edward and Thomas Pearce, Joshua Matthews, Thomas and C. Sadtler, Wm. Gingerich, S. C. Tomey and Frederick von Kapff.

Messrs. Griffith, Turner & Co., the well known agricultural implement dealers of Baltimore, as usual, had a full display of everything in their line at the Hagerstown Fair the past week, and they were well and ably represented by Messrs. Melville J. Griffith and Joseph L. Mackin and others.

Master Joseph Milburn, (son of Rev. Page Milburn, pastor of Towson M. E. Church,) who has been at his grandfather's, in Washington, for some time past suffering from hip trouble, is slowly improving. During the past week the children of the 5th Grade of Towson High School, of which Joe is a scholar, brought pictures to their teacher, Miss Anna Pilson, who arranged them in a scrap-book, which was sent to him with their kind wishes. Mr. and Mrs. Milburn, as well as Joe, appreciate the kindness of both teacher and scholars.

*Combination vs. Towson.*—The Towson Base Ball Club played its final game of the season on Saturday, 12th inst., at Catonsville, with the Combinations of that place and lost again by the score of 8 to 2. The game was on a par with that of the preceding Saturday. The Towsons fielded weakly and the battery work for their side was not of the best. On the other hand the Combinations played well in the field and batted opportunely. The Towsons seemed disorganized in the last two games, owing, no doubt, to the lateness of the season.—Abigail, who pitched Hagerstown during the summer, and Childs, the Newark catcher, formed the battery for the Combinations, and their work was fair. The score follows:

*Shane Items.*—Some sneak thief entered the store of Messrs. Hawkins & Shaw at this place on the night of the 7th. It appears the thief unlocked the front door, went to the money drawer and unscrewed the slide and took both drawer and money, the latter amounting to $15, as also a small box containing a few cents. Mr. Shaw, having an idea who committed the robbery, kept quiet until Sunday, 12th, when a little son of Mr. John Almony found the drawer about 150 yards from the store. The money was all in ten, five and one-cent pieces. About 90 cents was left in the drawer. Nothing was disturbed in the store except the money. The party had better return the money and save arrest, as Mr. Shaw knows who committed the act.

The protracted meeting which was in progress at West Liberty M. E. Church has closed.

While Mr. Wm. Robinson was driving home from Baltimore a short time ago he lost the lead horse from his team, but did not know when or where the animal became detached, but when he got to Shawsville he found his horse waiting for him.—Mr. Robinson is not a drinking man and was duly sober at the time. It was after night and rather dark. SONE.

*Business Failure.*—Morton D. Banks, the well-known Gay street furniture dealer, on Wednesday 15th made a deed of trust to Samuel S. Biggs, who gave bond in $20,000. Over a year since Mr. Banks' establishment was destroyed by fire from which he has not been able to recover.

### TOWSON IN HOLIDAY ATTIRE.

No fairer and more pleasant day could have been found in the whole calendar for the reception and parade held on Wednesday last, 15th inst., on the occasion of the receiving of the new chemical engine for the extinguishment of fires.

At an early hour the town put on a holiday array, and the stores and houses generally were decorated with flags, bunting, and Chinese lanterns, and the school children were all eager and anxious to get into the parade. The town was filled with sightseers long before the hour of the parade.

On the arrival of the train with the Veteran Firemen of Baltimore, Mr. Chas. T. Holloway, President, the parade was formed in the following order:

The National colors—Wm. P. Cole, mounted.

Streett. Messrs. Wm. B. Jarrett, Walter Rich and John R. Jackson, of Harford county, were also present.

Citizens of the town in line.

The Towson Chemical Engine Company, Wm. Nelson, Captain, and R. E. Lee Bosley, Driver, beautifully decked with flowers, which were collected by Officer James B. Hutchins, the following ladies having kindly supplied the bouquets—Mrs. Thomas J. Hunter, Mrs. J. B. The Towson Hook-and-Ladder apparatus, manned by the young men of the town, under the marshalship of Mr. B. P. Butler, with "Moses" mounted on the truck, although he did not occupy it, showed his honor with that degree of hilarity he is wont to exhibit when he is well pleased.

The truck made the town followed—Messrs. Wm. A. Lee, Robert Feast, Henry Dienstbach, John Burns, James Phipps, John H. Scharff, Fred. Groom, Lewis W. Held, Wm. P. Cole, Albert M. Wole, Chas. Shenck, Chas. Benj. Hicks, colored. Also Mr. Wm. Weyforth, merchant tailor, Baltimore.

Yellott was introduced and made a short, spirited address of welcome to the Veteran Firemen and the visitors generally, in which he spoke of the handsome manner in which the County Commissioners had responded to the urgent solicitations of the citizens of Towson for protection against fire.

At the close of the address the Veteran Firemen were marshalled around the lunch tables, where a bountiful supply was provided, and ample justice was done to the viands after the long march.

A dance given by Prof. Burgoyne's Cornet Band at the pavilion in Chew's Grove in the afternoon and at night in the Armory of the Towson Guards was well attended.

A FIRE TEST.

A test of the Department was made by an alarm given after the festivities and a race was made from the Engine House in Towson to where a big fire was burning on the lot near the jail. The Towson came in on the scene first and got to work just a second or so ahead of the other two companies and the flames were put out in half a minute.

The Committee of Arrangements, on behalf of the citizens of Towson, desire, respectfully, to commend the County Commissioners for having a chemical engine in Towson, not only for the protection of the public property of the county but of that of the citizens of the town and vicinity as well.

The Committee desire also to thank the Veteran Firemen' Association of Baltimore city for the honor they did the town in bringing their famous old Engine and Suction with them, accompanied by 60 of its members, thus forming the most interesting feature of the parade.

Also, Mr. Wm. Gilmor, President, Mr. F. B. Hubbell, General Passenger Agent, and Mr. C. F. Kerchner, Superintendent of the Maryland Central Railway, for the special train to bring the old Veterans to the town and return them to Baltimore, and also for other courtesies extended.

Also, Messrs. A. S. Abell & Co., Mr. John Hubner, Mr. Charles McHue of Baltimore, and to many of the citizens of Towson and vicinity for generous contributions of money and prepared food, &c., whereby the Committee were enabled to lunch about 100 firemen and about 500 invited guests and citizens generally.

Also, the citizens of Towson, especially the ladies, for the interest they took in the demonstration, which made it a success, decided by all the best the town has ever had.

HOLLOWAY'S CHEMICAL ENGINES.

Holloway's Chemical Engines are gaining a celebrity throughout the United States. At first people in Baltimore sneered at them, and some newspapers and citizens styled them "soda fountain squirts." Latterly, however, all have come to think and speak better of them. They have done so many wonderful things in and around Baltimore that the city government does not hesitate to vigorously use those they purchased from Baltimore county, but to add to their store. The Seventh Ward has its extinguishers entirely, and use them most effectively. To show to what extent the Chemical Engines are used, Mr. Holloway has recently constructed and delivered to the following points—Baltimore, Jersey City, Montreal, Canada, Savannah, Ga., Oakland, Cal., Auburn, N. Y., Washington, D. C., Berry, N. Y., Atlantic City, N. J., Asbury Park, N. J., Middlesborough, Ky., Dillwyn Springs, Tenn., Helmetta, N. J., Tacoma, Washington, South Amboy, N. J., Omaha, Nebraska, Helena, Montana, Chelsea, Mass. Now in course of construction for Messrs. Baker Bros. Harrisburg, Pa., Kansas, Langdon, Dakota: 4 for Seattle, Washington, Lynn, Mass., Oyster Bay, L. I., N. Y., Salt Lake, Utah, Port Henry, Ill., Red Bluff, Cal., Olympia, Washington, Hoboken, N. J., Fresno, Cal., and 2 for Oakland, California.

*Monkton Items.*—A fortnight ago a stack of hay containing about three to four tons on the farm of Mr. Josiah Spark, near Corbett, was totally consumed by fire. How the hay caught fire is a mystery.

A new frame house on the farm of Mr. Clinton Matthews, adjoining the above, and valued at about $400, was totally destroyed by fire at about 2 o'clock P. M. on October 9th. The house was occupied by John Howard, col., and family, who had all gone away to work early in the morning. There was no fire left in the house, and it seems when the fire was discovered it burned on the outside of the building on the opposite side of the house. It is feared the fire was caused by incendiarism. Mr. Matthews is insured for about one-half the value in the Baltimore County Fire Insurance Office. Howard, who lose all his furniture, clothing, bedding, a gold watch, &c., amounting to about $150 in all, has no insurance.

Mr. Samuel Bosley, of this place, is putting up a warehouse adjoining the store. When completed it will be connected with the business of his sons, C. Bosley & Bro.

The peaches from Monkton to Wesley Chapel in the 10th District, are in a very dangerous condition from recent washes. They should be attended to at once.

There is no political thunder of any kind around here just now, and this is very strange so close upon the eve of election. Evidently the Democrats think they will have a walk-over without making any fuss about it. Republicans think likely "dod ash so," and are willing to surrender without a struggle, (but don't trust them all the same, for if you do you will most likely regret it,) and Prohibitionists, to leave the feminine portion out, who are the great majority of that party but cannot exercise their devotion at the ballot box, are in the faraway future. Nevertheless, the managers of the different parties should make it more interesting by having meetings and educate the people to what is best to do in discussing the questions of the day fairly, squarely and honestly. J. F. H.

*Black Horse Items.*—Our farmers are busy getting in our corn crop, which is very good. Some fields will average 12 barrels to the acre. The wheat seeding is nearly all in.

The picket fence around Wesley Chapel M. E. Church has been painted, which adds much to the surroundings.

Dr. John W. Barton is having a long string of post fence put up. The Dr. has a beautiful farm and is a practical farmer.

A little child of Mr. James Elliott is very ill, and much reduced in flesh.

The protracted meeting at McKendree is still in progress. There are several penitents at the altar nightly. Rev. T. E. Peters, pastor in charge, is an earnest worker and much loved on the entire circuit.

The chestnut crop is good, but they sell for a small price. Is high tariff the cause?

Mr. Frank Cathcart has one of the best fields of wheat that we have seen anywhere. The ground is completely covered over.

Rev. H. H. Douty will begin revival services on Sunday, 19th inst., at Salem Church.

Some thief entered the residence of Rev. Thos. Henderson a few nights ago and took therefrom bread, meat, and several other small articles. H.

*The Elkridge Club.*—The Elkridge Fox Hunting Club will meet at "Long Green," the Williams estate, to-day, (Saturday,) 18th, at 2.30 o'clock, on Wednesday next, 22d inst., at Towson, on Saturday, 25th, at Sherwood, and on Wednesday, 29th, at Pimlico.

*Towson P. O.*—The following letters remaining in the Towson Post Office will be sent to the Dead Letter Office, at Washington, if not called for:—Albert Adelsberger, Belindin Berl, Thomas Guy, Daniel E. Hughes, W. D. Stark.

*Oyster Supper.*—The Ladies Aid Society of Trinity Church, Long Green, will hold an oyster supper in the house adjoining the Dulany's Valley post office on the evenings of Friday and Saturday, October 24th and 25th. Public cordially invited.

*Sloan—Connolly.*—A very pretty wedding took place at Trinity Church, Long Green, on Wednesday afternoon, 15th inst., at 3 o'clock. The church was beautifully decorated, and the bright gleams of a glorious October sun added brilliancy to the occasion. The groom was Mr. Matthew H. Sloan, Secretary and Treasurer of the Zihlman Glass Company, of North Baltimore, and the bride Miss Mary Virginia Connolly, one of Baltimore county's most charming young ladies and a daughter of Mr. and Mrs. Dixon Connolly. The groom wore a suit of black, while the bride was attired in a neat-fitting suit of imported henrietta cloth (slate-colored) embroidered. She wore hat and gloves to match and carried a beautiful bouquet of pearl roses. The ushers were Messrs. Alex. D. Sloan, a brother of the groom, and George H. Roche, both of Baltimore; Wm. J. White, of North Baltimore, Ohio, and Dixon Connolly, brother of the bride. Miss Sallie Connolly, a sister of the bride, was the maid of honor, while Dr. George Sloan, of Roslyn, Washington, a brother of the groom, was best man. Miss Nellie Chick presided at the organ, and as the bridal party entered the church the enchanting strains of Mendelssohn's wedding march pealed forth. They were met at the altar by Rev. Geo. K. Warner, who solemnized the marriage in the beautiful and impressive service of the Episcopal Church. The bride was given away by her father. At the conclusion of the ceremony the bridal party drove to the residence of the bride's parents where congratulations were extended and a sumptuous repast served. Mr. and Mrs. Sloan left at 5.30 P. M. for a train west, and upon their return will take up their residence at North Baltimore, Ohio.

The numerous presents included many handsome and costly articles. With their many friends the JOURNAL extends its best wishes for a happy and prosperous wedded life.
