in Some Small Measure Demonstrated their Gratitude to the Lord Proprietary.....
for his many signall favours and Benignity Conferred on this house for the Universall
Utility of the Good People of this Province by a Vote Passed this house this Morning in
Relation to the Publick Tobacco in the Possession of his Lordship, That as a more Ample
Acknowledgement of his Lordships Paternall Respects to his Good People & further
Demonstration of their Indelible Loyalty fidelity and Love to his Lordship and
his Successors It may not be necessary this Present Session of Assembly to enlarge
the Act for the Imposition of 2 S. pr. hd. by Granting and Continuing it for the
Natural Life of the Honourable Cecilius Calvert Son and heir Apparent to the
Lord Proprietary after his Lordships Death Yea or Noe —
Put to the Vote according to the above Proposition, Voted by the Major part that
the said Act be Enlarged according to the said Proposal and be Presented to the Upper
house for their Concurrence herein —

Signed &c.

This house do Concurr with the Lower in the above Vote. —

Signed by Richard Boughton Cl of the Assembly

This house do Concurr with the Lower house in their Vote that the whole
Charge and Expences of the Assembly shall be Defrayed by the Publick and no
Part thereof to be Charged to the Particular Counties as formerly —

Lower house to June.

Voted that Richard Swetnam Carpenter be paid at the making up
of the Levy for what Extraordinary Work (more then Captain Quigley is bound
.....to by Act of Assembly) That he shall do about the Gate and Door Case of
the State house —

The Upper house do Concurr herein

This house upon Perusall of their own Journal do find that this house
did not referr it to the Consideration of the Lower house what Punishment
Major Truman Deserved but Ordered that a Message should be sent to the Lower
house to Desire them to Draw up a Bill of Attainder against the said Truman
(which when the Lower house shall think fitt to Draw up) this house as in
the last Paper they Promised) will Proceed upon

Read the Act Touching Troopers and the Gauge of Tob. hd. & passed here

Read the Act relating to Servants & Slaves and Passed this house —

The house is Adjourned till 10 of the Clock on Monday Morning

On Monday June the 12th the house Mett —

Present { The Honourable Chancellor Secretary and Surveyor General Col Samuel Chew — Col Jesse Wharton & Col Thomas Taylor }

This house hath Considered of the Message Sent from the Lower house
Touching his Lordships Assenting to the Laws to be made this Assembly —
and are of Opinion that it is unseasonable to request his Lordship to Declare
whether he will Consent to Laws in General before We present him with
