A To the best of my ability.

Q Do you know anything more about her as to real property or personal property than has been testified by your husband; like stocks and bonds, the value and so forth?

A Well, I have a copy, a record of the dividend checks, but I would have - I don't know just what it would amount to as far as what the assets were.

A Yes, the hospital bill for one week, and I believe that's all, that's the only bill.

Q There are substantial bills due and owing presently, are there not?

A There are some outstanding bills.
