Its long, branching roots penetrate for down, push and crowd the earth this way and that, and thus constitute a sub-soiler. These become in time many tons of fertility. As soon as conditions are right they decay and liberate the vast quantities of fertilizing matter behind, to be available upon by other crops for years to come.

IT IS YOUR ENDEAVOR

to do always in every matter what is to your best interest. And if you neglect this you loose and suffer thereby. It is decidedly the part of wisdom to settle up your estate in a great measure before death. Because another man can adjust matters quite as well as you yourself can. Accordingly if you have property which is a burden to you instead of a blessing, you want to use every effort to sell you must consider the best way of selling. Hundreds of clients whose property I have sold will testify to the advantages I offer in the way of expediting REAL ESTATE. I have hundreds of proved and tested reasons why I can make a better price and make a quicker sale than can possibly be made through any other Agency. If you really want to sell your property place it in my hands. I may have a buyer today for your particular place and if so delay the matter this buyer may slip away and they may place what would suit them just as well as yours.

Your Kidneys

Centreville Residents Must Learn Importance of Keeping Them Well

Perfect health means that every organ of the body is performing its functions properly.

Perfect health cannot be enjoyed when the kidneys are weak and disordered.

Thousands testify that Doan's Kidney Pills have a reviving action on weak kidneys.

What this remedy has done in many cases of this kind is their proof of its merit.

Read the following. It's testimony gratefully given by a resident of this locality.

Hyland Crew, High St., Chestertown, Md., says: "I had pains in my back and head and my kidneys were in a disordered condition, causing me quite a lot of trouble. I finally used Doan's Kidney Pills and they made me feel greatly better in every way."

Price 50c at all dealers. Don't simply ask for a kidney remedy, ask for Doan's Kidney Pills, the same that Mr. Crew had. Foster-Milburn Co., Prop., Buffalo, N. Y.

The readers of this paper will be pleased to learn that there is one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

DRUGS EXCITE YOUR KIDNEYS, USE SALTS

If your Back is aching or Bladder bothers, drink lots of water and eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can easily understand the vital importance of keeping the kidneys active.

Drink plenty of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer is a source of irritation, thus it makes a delightful effervescent lithia water drink which everyone should take now and then to keep the kidneys clean and active.

COMB SAGE TEA IN HAIR TO DARKEN IT

Grandma kept her locks dark, glossy and black with a mixture of Sage Tea and Sulphur.

The old time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's favorite ingredient, and folks are again using it to keep their hair a good color, which is quite a sensible idea as nowadays a youthful appearance is of the utmost advantage.
